Read the whole pattern before you start, and knit a gauge swatch. Mark your own size in the tables so you do not have to search as you go. **Test knit version 1.0**

BEFORE YOU START

The dress is worked in the round from the top down, with no neck opening, just like the jumper in the set. The neck neck. The neck is cast on in green and divided into 8 sections, and the increases shape the round yoke. After the leaf panel the armhole stitches are set aside, the body is worked in the round down to the waist, and there it is increased out into a light, full skirt.

WHAT YOU WILL LEARN

- knitting a sleeveless yoke from the top down
- working leaf tips and seeds in two colours
- increasing evenly from waist into a skirt
- working a scalloped hem with a green edge, and armhole edgings

DIFFICULTY

Easy to slightly experienced. You should be able to knit in the round, increase, decrease and carry two colours in the same round.

SIZES

The pattern is graded in nine sizes, from 44 to 92, that is from small newborn to two years. Choose by the child's chest measurement, not by age. The ages are only a guide, and a baby born early follows its own curve. Between two sizes, take the larger one, since a garment that is slightly big lasts longer.

THE CHILD'S MEASUREMENTS

Size	Suits	Child chest	Ease
44	small newborn / preemie	32 cm	6,1 cm
50	newborn, 0-1 mo	35 cm	6,9 cm
56	1-2 mo	38 cm	5,8 cm
62	2-4 mo	41 cm	6,6 cm
68	4-6 mo	43 cm	6,5 cm
74	6-9 mo	45 cm	6,4 cm
80	9-12 mo	47 cm	6,3 cm
86	12-18 mo	49 cm	6,2 cm
92	18-24 mo, 2 years	51 cm	6,1 cm

HOW TO READ THE TABLES

Every number in the pattern is given in its own column per size. Find your column once, mark it with a pen, and read only that one from there on.

FINISHED MEASUREMENTS

Size	Chest	Total length	Yoke depth	Skirt from waist
44	38,1 cm	36 cm	10,0 cm	17 cm
50	41,9 cm	40 cm	11,4 cm	19 cm
56	43,8 cm	44 cm	12,1 cm	21 cm
62	47,6 cm	48 cm	12,9 cm	23 cm
68	49,5 cm	52 cm	13,6 cm	25 cm
74	51,4 cm	55 cm	13,9 cm	27 cm
80	53,3 cm	59 cm	14,6 cm	29 cm
86	55,2 cm	62 cm	15,0 cm	31 cm
92	57,1 cm	65 cm	15,4 cm	33 cm

The measurements below are the garment as it should be after washing and drying flat. If you get different measurements, it is usually the gauge and not the pattern.

YARN, TOOLS AND GAUGE

YARN AND NEEDLES

DROPS Merino Extra Fine, 50 g = approx. 105 m, in strawberry pink, leaf green and a small amount of cream white. The amounts below include a good margin, and are given per size.

Tools	For what
4 mm needles	double-pointed or Magic Loop for neck, armholes and skirt
Darning needle	for weaving in ends and evening out the scalloped edge
Stitch marker	to mark the beginning of the round at centre back

YARN AMOUNT

Size	Pink	Green	Cream
44	460 g	40 g	5 g
50	555 g	45 g	5 g
56	635 g	45 g	5 g
62	745 g	50 g	5 g
68	835 g	55 g	5 g
74	930 g	55 g	5 g
80	1030 g	55 g	5 g
86	1135 g	60 g	5 g
92	1245 g	60 g	5 g

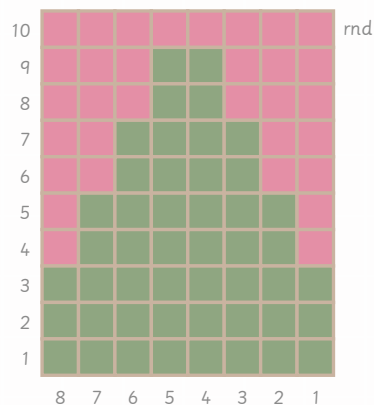

GAUGE

21 stitches and 28 rounds in stocking stitch = 10 x 10 cm on 4 mm needles. Knit your swatch in the round, not flat, and measure it after washing and drying flat. More than 21 stitches means one needle size up, fewer means one down. The gauge decides every measurement here.

LEAF AND SEED CHARTS

The rounds are worked in the order they are numbered, round 1 first, and each round is read from right to left, the same way you knit. The leaf repeat is 8 stitches and is repeated all the way round the yoke. The number of repeats for your size is given further on.

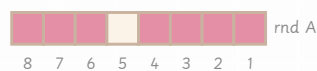

LEAF, 8 STITCHES x 10 ROUNDS

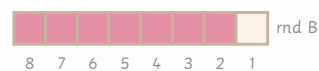

● leaf green ● strawberry pink ○ cream white, one seed

SEED, 8 STITCHES

A

B

The seeds are single cream white stitches, and they are knitted in over ALL the pink, over the bodice and all the way down the skirt. The rhythm is the same everywhere: seed round A, 4 rounds in pink, seed round B, 4 rounds in pink, and so on. The two rounds offset the seeds against each other, so they lie scattered rather than in vertical columns.

The float behind the work is never longer than 3 stitches in either chart. That is deliberate: long loose strands on the inside are both uncomfortable against the skin and something small fingers can catch in. Keep the carried yarn loose enough that the work does not pucker.

1 • NECK AND YOKE

Cast on in green on 4 mm needles with a stretchy cast-on, join in the round and work 5 rounds of twisted rib, that is k1 through the back loop, p1. The dress has no neck opening, so the neck has to pass over the head, and there the cast-on edge decides. Cast on loosely, for instance over two needles held together.

THE INCREASES

Divide the stitches into 8 equal sections and place a marker between each. Increase 1 stitch in each section every other round, that is 8 stitches per increase round, until you have the stitch count in your column.

Size	Cast on	Per section	Increase rounds	After increases	Even rnds after
44	56 sts	7	7	112 sts	3
50	64 sts	8	8	128 sts	5
56	64 sts	8	9	136 sts	5
62	72 sts	9	10	152 sts	5
68	72 sts	9	11	160 sts	5
74	80 sts	10	11	168 sts	6
80	80 sts	10	12	176 sts	6
86	80 sts	10	13	184 sts	5
92	88 sts	11	13	192 sts	6

The neck is calculated from the head, not guessed: it sits at 80 to 87 % of the head circumference in every size, exactly as on the jumper. That is why the dress needs no button at the back. If the neck feels tight, it is almost always the cast-on edge that is too firm, not the stitch count. When the increases are done, work the number of even rounds in the last column without increasing. They give the yoke the depth it needs so the armhole sits correctly, and they therefore differ from size to size.

2 • THE LEAF PANEL

All the increases are done now, and the stitch count divides by 8 in every size. Work the leaf repeat from page 5 over 8 stitches, and repeat it as many times as your column says. The chart is read from the bottom up even though the garment is knitted from the top down. That is so the leaves point downwards on the finished garment.

Size	Stitches in yoke	Leaf repeats round	Yoke depth
44	112 sts	14 x	10,0 cm
50	128 sts	16 x	11,4 cm
56	136 sts	17 x	12,1 cm
62	152 sts	19 x	12,9 cm
68	160 sts	20 x	13,6 cm
74	168 sts	21 x	13,9 cm
80	176 sts	22 x	14,6 cm
86	184 sts	23 x	15,0 cm
92	192 sts	24 x	15,4 cm

AFTER THE LEAVES

Work 1 even round in pink. The yoke is now finished, and the whole garment is pink from here down apart from the seeds and the edgings.

3 • DIVIDE FOR ARMHOLES AND BODY

Read the row for your size from left to right, in the order you knit: the front, the stitches you place on hold for the first armhole, the stitches you cast on under the arm, the back, then the same armhole on the other side. The body remains on the needle.

Size	Front	Hold for armhole	Cast on	Back	Body
44	38	18	2	38	80 sts
50	42	22	2	42	88 sts
56	44	24	2	44	92 sts
62	48	28	2	48	100 sts
68	50	30	2	50	104 sts
74	52	32	2	52	108 sts
80	54	34	2	54	112 sts
86	56	36	2	56	116 sts
92	58	38	2	58	120 sts

Check the stitch count before going on. Front and back should be equal, and the two armholes should hold exactly the same number of stitches.

4 • BODY DOWN TO THE WAIST

Place the round marker at centre back and work in pink stocking stitch in the round with seeds. The seeds are knitted in all the way down, not just here. The rhythm is the same everywhere: seed round A, 4 rounds in pink, seed round B, 4 rounds in pink, and so on. Start as soon as the pink starts, right after the leaf panel. Work until the body measures the length in your column, measured straight down from the underarm.

Size	Body stitches	Length from underarm	Rounds, approx.
44	80 sts	9 cm	25
50	88 sts	10 cm	28
56	92 sts	11 cm	31
62	100 sts	12 cm	34
68	104 sts	13 cm	36
74	108 sts	14 cm	39
80	112 sts	15 cm	42
86	116 sts	16 cm	45
92	120 sts	17 cm	48

MARK THE WAIST

Place a marker in the round when the body is finished. That marker is the waist, and all skirt measurements are taken from it.

5 • THE SKIRT

Work *k2, M1*, repeat round. That gives the number in the first column. Work 4 rounds even, then increase evenly up to the number in the second column. The skirt is now at full width. Continue in pink stocking stitch, keeping the seed rhythm from the body running unbroken all the way down the skirt, until the skirt measures the length in the last column, measured from the waist marker.

Size	*k2, M1* gives	Increase evenly to	Skirt width	Length from waist
44	120 sts	140 sts	66,7 cm	17 cm
50	132 sts	160 sts	76,2 cm	19 cm
56	138 sts	170 sts	81,0 cm	21 cm
62	150 sts	190 sts	90,5 cm	23 cm
68	156 sts	200 sts	95,2 cm	25 cm
74	162 sts	210 sts	100,0 cm	27 cm
80	168 sts	220 sts	104,8 cm	29 cm
86	174 sts	230 sts	109,5 cm	31 cm
92	180 sts	250 sts	119,0 cm	33 cm

If you want the dress longer or shorter, this is where you decide. The skirt length can be changed freely without affecting anything else in the pattern.

6 • THE SCALLOPED HEM WITH A GREEN EDGE

The dress ends in rounded pink scallops, with a narrow green edge following the curve. The scallop is made with decreases in the valley between the scallops and increases at the centre of each, the same number of both, so the stitch count stays put while the edge shapes itself.

Divide the edge into scallops with a marker between each. Every scallop is 10 stitches. Work the scallop round in PINK: *ssk, k2, M1R, k2, M1L, k2, k2tog*, repeat round. The stitch count stays the same, but the edge shapes itself into rounded scallops. Repeat the scallop round 5 times in all. Then change to green, work 3 rounds in knit, and cast off very loosely. The green edge sits as a narrow line along the curve of the scallops, down into the valleys too.

Size	Stitches at hem	Scallops	Sts per scallop	Scallop rounds	Green rounds
44	140 sts	14 x	10	5	3
50	160 sts	16 x	10	5	3
56	170 sts	17 x	10	5	3
62	190 sts	19 x	10	5	3
68	200 sts	20 x	10	5	3
74	210 sts	21 x	10	5	3
80	220 sts	22 x	10	5	3
86	230 sts	23 x	10	5	3
92	250 sts	25 x	10	5	3

Cast off loosely. A tight cast-off straightens the scallops out, and then the whole point of the edge is lost. The green edge should be narrow: three rounds are enough, and they roll outwards naturally.

7 • THE ARMHOLE EDGINGS

Pick up the stitches in your column round each armhole in green: the held sleeve stitches, the stitches you cast on under the arm, and 1 stitch in each of the two corners. Work 4 rounds of twisted rib and cast off with stretch.

Size	Pick up per armhole	Rounds of twisted rib
44	22 sts	4
50	26 sts	4
56	28 sts	4
62	32 sts	4
68	34 sts	4
74	36 sts	4
80	38 sts	4
86	40 sts	4
92	42 sts	4

Cast off loosely in the armhole edgings. A tight edge cuts into the arm, and that is the most common reason a sleeveless garment ends up unworn.

FOR YOU, THE TEST KNITTER

This edition of the dress is a test knit version. Every stitch count has been calculated from the babies' measurements and the gauge, and checked against the others, but nobody has knitted from the pattern yet. You are the first. That means you may run into things I have not seen, and that is exactly why I need you.

WHAT I NEED FROM YOU

- Which size you knitted, and which yarn and needles you used.
- Your own gauge, measured on a washed swatch dried flat.
- The finished measurements of the garment after washing, in the form below.
- Anything unclear: a sentence you had to read three times, a stitch count that did not add up, a place where you had to guess.
- A photo of the finished garment, on the baby if you like.
- Tell me if the pattern reminds you of one you have seen before. Strawberry Dream is drawn for LME, and I want to know straight away if something still sits too close to something else.

HOW TO SEND IT IN

Send the form, your comments and any photos to <https://lmexplorers.com/teststrikk>. The deadline is given in the email the pattern came in.

Nothing is too small to mention. Whatever tripped you up will trip up the next knitter too, and it is far easier to fix now than later.

FINISHING AND AFTERCARE

CHECKLIST

- Weave in all ends flat and firmly on the wrong side. Do not cut them flush.
- Soak the work in lukewarm water with wool detergent. Do not rub or wring.
- Press the water out in a towel and dry the garment flat to the given measurements.
- Check all buttons, ties, edges and loose ends before the garment is worn.
- Measure the garment after washing and write the numbers in the form on the previous page.

SAFETY

Buttons and ties on children's garments must always be checked before use, and the garment worn only under supervision. Sew buttons on with strong thread and go over them again after every wash. In the smallest sizes the garment sits right against the skin, so feel that no seam or knot presses hard.

Happy knitting!
