Read the whole pattern before you start, and knit a gauge swatch. Mark your own size in the tables so you do not have to search as you go. Test knit version 1.0

BEFORE YOU START

The mittens are worked in the round from the cuff towards the fingertips. The green rib folds outwards in wear. The leaf panel gives way to pink stocking stitch with a few seeds, and the mitten is finished with even decreases. The mittens have no thumb, which is usual for baby mittens: a thumb creates a seam and an edge where a small hand can catch.

WHAT YOU WILL LEARN

- knitting small rounds with Magic Loop or double-pointed needles
- working a small strawberry top in two colours
- shaping a rounded mitten top
- knitting and attaching an i-cord between the mittens

DIFFICULTY

Easy to slightly experienced. The mittens are the smallest piece in the collection, and a good place to try out both the gauge and the leaf chart before starting a larger garment.

SIZES AND FINISHED MEASUREMENTS

The mittens have one size per garment size, from size 44 to 74. They stop at 74 because they are thumbless: that is right for a baby, but a child over one year wants a thumb, and a thumbless mitten then gets in the way rather than helping.

Size	Stitches round	Circumference	Hand in pink	Cuff	Length without cuff	Cord

50	24 sts	11,4 cm	5,0 cm	5,0 cm	8,9 cm	40 cm

74	32 sts	15,2 cm	7,0 cm	7,0 cm	10,9 cm	56 cm

Some neighbouring sizes share a stitch count round. They are not two identical sizes: a hand grows longer faster than it grows wider, so the length, the cuff and the cord differ in every row. The mittens should also sit loosely, they must come off with one hand, and they are held in place by the folded cuff, not by being tight.

YARN, TOOLS AND GAUGE

YARN AND NEEDLES

DROPS Merino Extra Fine, 50 g = approx. 105 m, in strawberry pink, leaf green and a small amount of cream white. The amounts below include a good margin, and are given per size.

Tools	For what
4 mm needles	double-pointed or Magic Loop, the rounds are very small
Darning needle	for weaving in ends and sewing on the i-cord
Stitch marker	to mark the beginning of the round

YARN AMOUNT

Size	Pink	Green	Cream
44	10 g	15 g	5 g
50	15 g	20 g	5 g
56	20 g	25 g	5 g
62	25 g	30 g	5 g
68	30 g	35 g	5 g
74	35 g	40 g	5 g

GAUGE

21 stitches and 28 rounds in stocking stitch = 10 x 10 cm on 4 mm needles. Knit your swatch in the round, not flat, and measure it after washing and drying flat. More than 21 stitches means one needle size up, fewer means one down. The gauge decides every measurement here.

STRAWBERRY TOP AND SEEDS

The rounds are worked in the order they are numbered, round 1 first, and each round is read from right to left, the same way you knit. The strawberry top is 4 stitches and is repeated round. It is deliberately smaller than the leaf on the larger garments: on a mitten or a sock the large leaf would cover almost the whole surface.

STRAWBERRY TOP, 4 STITCHES x 4 ROUNDS

● leaf green ● strawberry pink ● cream white, one seed

SEED, 8 STITCHES

A

B

The seeds are single cream white stitches. On such a small area two seed rounds are enough: work round A, then 2-3 rounds in pink, then round B. The two rounds offset the seeds against each other.

The float behind the work is never longer than 3 stitches in either chart. That is deliberate: long loose strands on the inside are both uncomfortable against the skin and something small fingers can catch in. Keep the carried yarn loose enough that the work does not pucker.

1 • CUFF AND LEAF TIPS

Cast on in green, join in the round and work *k2, p2* until the rib measures the height in your column. The rib folds outwards in wear, which is why it is this deep. Work 1 round in knit.

Size	Cast on	Rib	Points round
44	24 sts	4.5 cm	6 x
50	24 sts	5.0 cm	6 x
56	24 sts	5.5 cm	6 x
62	32 sts	6.0 cm	8 x
68	32 sts	6.5 cm	8 x
74	32 sts	7.0 cm	8 x

THE STRAWBERRY TOP

Work the strawberry top from page 5 over 4 stitches and repeat it round as many times as your column says. It is only 4 rounds deep, so it forms a narrow ring of small green points up into the pink, not a large leaf panel. Change to pink after the last chart round and work 1 round in knit.

2 • THE HAND AND THE SEEDS

Work in pink stocking stitch in the round. On a seed round work seed round A from page 5, that is *3 pink, 1 cream, 4 pink*, repeated round. Work 3 rounds in pink. Then work seed round B, that is *7 pink, 1 cream*, repeated round. Continue in pink until the hand measures the length in your column, measured from the leaf tips.

Size	Stitches	Hand in pink
44	24 sts	4,5 cm
50	24 sts	5,0 cm
56	24 sts	5,5 cm
62	32 sts	6,0 cm
68	32 sts	6,5 cm
74	32 sts	7,0 cm

Two seed rounds are enough on such a small area. More becomes busy, and every extra cream stitch is another end to weave in on the inside.

3 • SHAPING THE TOP

Decrease as in the table, with 1 knit round between each decrease round. Read your row from left to right: each column is the stitch count you should have after that decrease round. Cut the yarn at the end, draw it through the remaining stitches, tighten gently and fasten off firmly on the inside.

Size	Start	*k2, k2tog*	*k1, k2tog*	k2tog round	Draw up
44	24 sts	18 sts	12 sts	6 sts	6 sts
50	24 sts	18 sts	12 sts	6 sts	6 sts
56	24 sts	18 sts	12 sts	6 sts	6 sts
62	32 sts	24 sts	16 sts	8 sts	8 sts
68	32 sts	24 sts	16 sts	8 sts	8 sts
74	32 sts	24 sts	16 sts	8 sts	8 sts

Do not pull the yarn tight. A hard knot at the top can be felt through the mitten and sits right against the fingertips.

4 · SECOND MITTEN AND CORD

THE SECOND MITTEN

Work the second mitten exactly the same. Check that the strawberry top and seeds start in the same place on both, and count the rounds in pink rather than measuring, so the two come out the same length.

THE I-CORD

Cast on 3 stitches in pink and work an i-cord until the cord measures the length in your column. Cast off. Sew one end firmly to the inside of each cuff, with several small stitches, taking care that the seam does not press against the skin.

Size	I-cord stitches	Cord length
44	3 sts	38 cm
50	3 sts	40 cm
56	3 sts	44 cm
62	3 sts	48 cm
68	3 sts	52 cm
74	3 sts	56 cm

The cord goes through the sleeves, never round the neck. Adjust the length to the garment the mittens are worn with, and never use corded mittens unsupervised.

FOR YOU, THE TEST KNITTER

This edition of the mittens is a test knit version. Every stitch count has been calculated from the babies' measurements and the gauge, and checked against the others, but nobody has knitted from the pattern yet. You are the first. That means you may run into things I have not seen, and that is exactly why I need you.

WHAT I NEED FROM YOU

- Which size you knitted, and which yarn and needles you used.
- Your own gauge, measured on a washed swatch dried flat.
- The finished measurements of the garment after washing, in the form below.
- Anything unclear: a sentence you had to read three times, a stitch count that did not add up, a place where you had to guess.
- A photo of the finished garment, on the baby if you like.
- Tell me if the pattern reminds you of one you have seen before. Strawberry Dream is drawn for LME, and I want to know straight away if something still sits too close to something else.

HOW TO SEND IT IN

Send the form, your comments and any photos to <https://lmexplorers.com/teststrikk>. The deadline is given in the email the pattern came in.

Nothing is too small to mention. Whatever tripped you up will trip up the next knitter too, and it is far easier to fix now than later.

FINISHING AND AFTERCARE

CHECKLIST

- Weave in all ends flat and firmly on the wrong side. Do not cut them flush.
- Soak the work in lukewarm water with wool detergent. Do not rub or wring.
- Press the water out in a towel and dry the garment flat to the given measurements.
- Check all buttons, ties, edges and loose ends before the garment is worn.
- Mittens with a connecting cord must only be used under supervision.
- Measure the garment after washing and write the numbers in the form on the previous page.

SAFETY

Buttons and ties on children's garments must always be checked before use, and the garment worn only under supervision. Sew buttons on with strong thread and go over them again after every wash. In the smallest sizes the garment sits right against the skin, so feel that no seam or knot presses hard.

Happy knitting!
