LME CROCHET PATTERN - AMIGURUMI

MOLLY

LME BABY COLLECTION - WOODLAND DREAMS

Molly is a small, soft lamb with long, floppy ears and a curly wool topknot crocheted in dense loop stitches, in the very same look as Ellie, Pip and Felix. A butter yellow bow between the ears and a matching ruffled collar complete her. Crocheted in the same warm natural colours as the rest of the collection. A fully original LME design, finished size approx. 20 to 22 cm sitting. Medium difficulty.

By Renate Dahl

Little Montessori Explorers

lmexplorers.com

TIP: Read through the whole pattern once before you start, especially the page about the wool topknot, which uses the same loop technique as Pip's spikes, but crocheted densely like a little wool cap.

ABOUT MOLLY

PART OF ELLIE'S WORLD

Molly is the fourth figure in the LME Baby Collection "Woodland Dreams", one of Ellie's good friends in the forest. Where Felix is the curious explorer, Molly is the cheerful, a little shy type who would rather sing to the flowers and lie down in the grass when the sun is shining. More woodland friends are on their way into the collection over time.

STYLE

The same premium amigurumi look as the rest of the family: big shapes, soft transitions, calm colour changes and a friendly, rounded gaze. Molly does NOT look woolly or messy, is NOT realistic, and the wool topknot is crocheted densely and soft, not stiff, so she is safe and nice to cuddle.

MONTESSORI-INSPIRED

Big, simple shapes and calm blocks of colour make Molly nice to feel and easy for little ones to recognise, exactly the kind of concrete, sensory play the Montessori philosophy is built on.

SIZE AND MATERIALS

FINISHED SIZE

Approx. 20 to 22 cm tall, sitting.

YARN

Bystrikk Merino gives a soft, firm amigurumi surface, well suited to the dense, curly wool topknot.

Colour	For	Amount
Bystrikk Merino, cream (main colour)	the head, the wool topknot, the ears, the body, the arms, the legs	approx. 2.5 skeins
Bystrikk Merino, butter yellow	the bow and the ruffled collar	small amount
Leftover, light brown	the nose and the paw hooves	small amount
Leftover, powder pink	the cheeks	small amount
Black embroidery thread	eyebrows, mouth and lashes	small amount

Alternative yarn: DROPS Cotton Merino, or any soft cotton/acrylic-blend DK/aran-weight yarn (e.g. Hobbii Amigo, Rico Ricorumi, Paintbox Simply DK), as long as you crochet tightly enough that the stuffing does not show.

HOOK AND TOOLS

- Heklenål 4 mm · eller 3,5 mm hvis du hekler løst
- Polyesterfiber til fyll · ren, vaskbar leketøyfyll
- To 16 mm sikkerhetsøyne (versjon A), eller svart broderigarn (versjon B) · se side om ansiktet
- Stoppenål med butt spiss · til all somming
- Maskemarkør · en, eller en løkke garn i annen farge
- En linjal eller to fingre · som hjelp til å måle løkkene i ulltoppen, se side om ulltoppen
- Nål og tvinnnet bomullstråd · til å sy på ører, sløyfe og krage
- Målebånd og saks

GAUGE AND GLOSSARY

GAUGE

Approx. 16 sc x 18 rounds = 10 x 10 cm, crocheted TIGHTLY (amigurumi tension) on a 4 mm hook. If you crochet looser than this, the stuffing shows through the stitches and Molly turns out soft and floppy instead of neat and firm.

GLOSSARY AND ABBREVIATIONS

Short	Means
lm	chain stitch
fm	single crochet (UK: double crochet)
halvstav	half double crochet
stav	double crochet
kjm	slip stitch
løkkm	loop stitch: insert the hook, wrap the yarn around two fingers or a ruler to form a loop, pull the loop through and finish as a normal sc. The loop is left standing out on the right side of the work, see the page about the wool topknot.
magisk ring	an adjustable starting ring that closes with no hole in the middle
økn	increase: 2 sc in the same stitch. Adds one stitch.
mink	decrease: insert the hook through two stitches at once and crochet them together as one sc. Removes one stitch.
m	stitch(es)
omg / rad	round (worked in a spiral) / row (worked back and forth)
()	the number in brackets at the end is the total stitch count for that round/row
...	repeat what is between the stars as many times as stated afterwards

The head, wool topknot, body, arms and legs are crocheted in a spiral of single crochet, without joining the rounds. The ears, bow and collar are crocheted back and forth in rows. Place a stitch marker in the first stitch of each spiral piece.

TIPS AND HOW MOLLY IS BUILT

TIPS BEFORE YOU START

- Crochet a small swatch with loop stitches before starting the wool topknot, so you find a loop length you like, shorter than on Pip's spikes.
- Lay all the pieces out next to each other before sewing anything on, so you can see that Molly turns out symmetrical.
- Stuff a little at a time as you go, rather than all at once at the end, it gives a more even, neater shape.

HOW MOLLY IS BUILT

Molly is crocheted in eight pieces, which are all sewn together at the very end. No pieces are glued, and everything is sewn securely so that nothing comes loose. Get to know the pieces before you begin:

1. The head

big and round, cream

3. The ears (x2)

long and floppy, cream

5. The arms (x2)

small and soft, short

7. The bow

butter yellow, between the ears

2. The wool topknot

a dense, curly loop-stitch cap over the crown

4. The body

small and round, cream

6. The legs (x2)

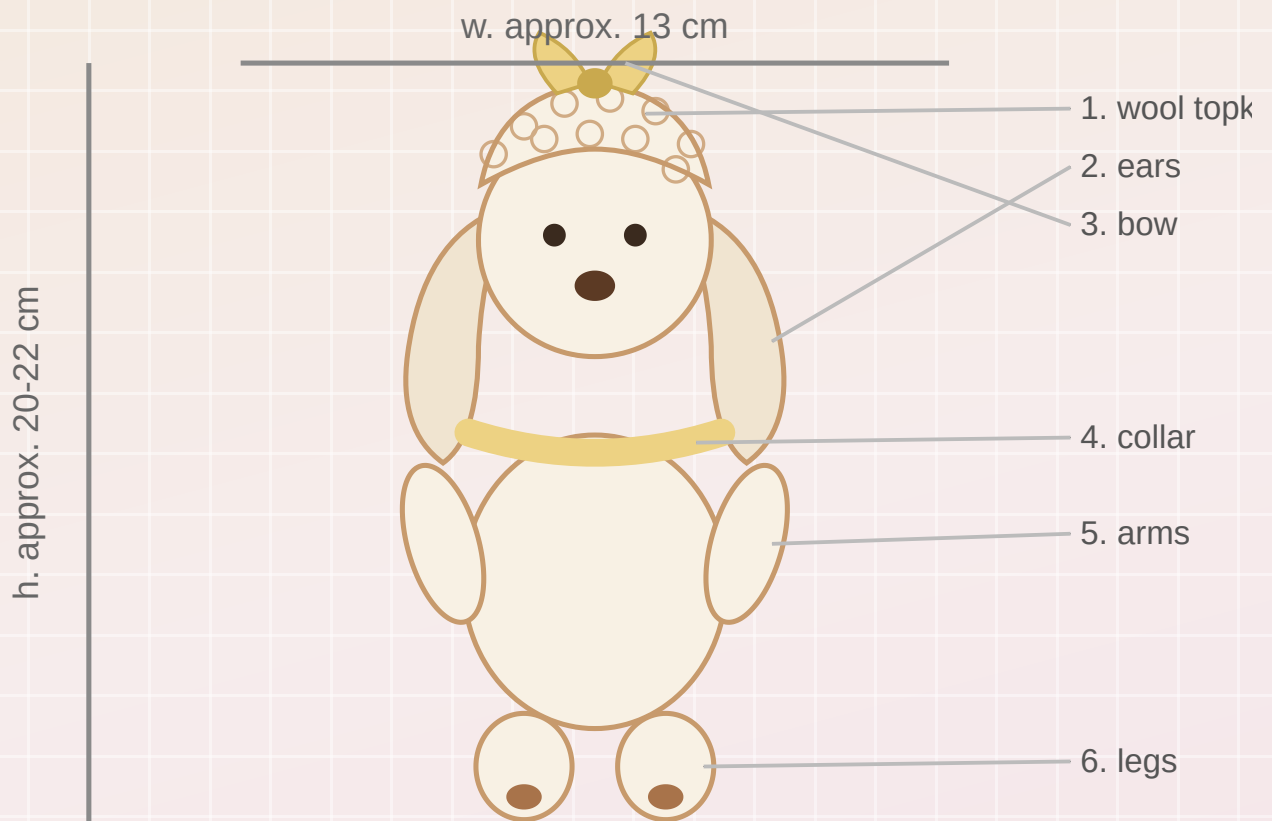

round, with sewn-on paw hooves

8. The collar

a butter yellow ruffled collar

BODY PROPORTIONS

Use this sketch as a guide while you crochet, especially to see how big the wool topknot and the ears should be compared to the rest of the body.

Size sketch: Molly sitting, approx. 20 to 22 cm tall and approx. 13 cm wide across the arms.

PART 1: THE HEAD

The head is crocheted in a spiral, from the top down, entirely in cream. It starts narrow, increases out to its widest point in the middle, stays even for a while, then decreases back down towards the neck.

Rnd	Description	Sts
1	6 sc in a magic ring	6
2	inc x 6	12
3	(1 sc, inc) x 6	18
4	(2 sc, inc) x 6	24
5	(3 sc, inc) x 6	30
6	(4 sc, inc) x 6	36
7	(5 sc, inc) x 6	42
8	(6 sc, inc) x 6	48
9 to 16	48 sc, 8 rounds with no increases	48
17	(6 sc, dec) x 6	42
18	(5 sc, dec) x 6	36
19	(4 sc, dec) x 6 - start stuffing firmly and evenly from here	30
20	(3 sc, dec) x 6	24
21	(2 sc, dec) x 6	18
22	(1 sc, dec) x 6 - stuff the last bit	12
23	dec x 6	6

Do not cut the yarn. Gently gather it through the last 6 stitches and use that same yarn tail to attach the head to the body later. The head should now be firm and round, approx. 9 cm in diameter.

PART 2: THE WOOL TOPKNOT

This is Molly's signature part, the same loop technique as Pip's spikes, but crocheted much more densely with shorter loops, so it becomes a soft, curly wool cap instead of a spiky surface. Crocheted in cream, and sewn onto the crown at the end.

THE LOOP STITCH TECHNIQUE, DENSE VERSION

Insert the hook into the stitch as usual. Wrap the yarn around one finger (or a thin pencil, for an even length) instead of taking it directly over the hook, pull up a loop, and finish the stitch as a normal single crochet. The loop stays standing as a small, dense curl on the right side of the work. A short, even loop length, approx. 0.5 to 1 cm, gives the neatest, woolliest result, feel free to gently curl the loop around your finger once finished for an even curlier look.

THE WOOL TOPKNOT, CREAM

Rnd	Description	Sts
1	6 sc in a magic ring	6
2	inc x 6	12
3	(1 loop st, inc) x 6	18
4	(2 loop st, inc) x 6	24
5	(3 loop st, inc) x 6	30
6	(4 loop st, inc) x 6	36
7 to 11	36 loop st, 5 rounds	36

Cut, leaving a tail of approx. 25 cm. Do not stuff, the topknot should lie flat like a little cap. Sew it onto the crown, from just above the forehead and backward, covering a round area that extends down towards where the ears will attach on each side, see the face page for exact placement.

PART 3: THE EARS (MAKE 2)

Unlike Felix's pointed ears and Pip's round ears, Molly's ears are long and floppy, just like on a real lamb. They are crocheted flat in rows, in cream.

Row	Description	Sts
1	chain 9 + 1 turning chain, 9 sc back across	9
2	inc, 7 sc, inc	11
3 to 8	straight, 11 sc, 6 rows	11
9	dec, 7 sc, dec	9
10	dec, 5 sc, dec	7

Cut both ears, leaving a tail of approx. 20 cm. Do not stuff, the ears should be flat and soft. Fold the top corner of each ear gently together and sew it onto the top of the head, right at the edge of the wool topknot, so the rest of the ear hangs softly downward.

THE FACE

The face is what brings Molly to life. Take your time here, and try pinning things in place with safety pins before you sew or fasten anything.

EYES, TWO VERSIONS

Version A: safety eyes (age 3+)

Use 16 mm safety eyes. Insert them approx. 2.2 cm apart, a little below where the wool topknot ends. Push the backing washer firmly into place **BEFORE** you finish stuffing the head, so the eye cannot be pulled back out from the inside.

Version B: embroidered eyes (baby-friendly, 0+)

For the very youngest: embroider the eyes instead, with black embroidery thread. Sew a small, dense oval or circle (satin stitch) at each eye point, leaving a tiny unstitched highlight near the top for a lively look. Fasten the threads extra securely inside the head.

NOSE, MOUTH, LASHES AND CHEEKS

- **Nose:** Embroider a small light brown oval nose in the middle of the face, in dense satin stitch.
- **Mouth:** From the base of the nose, embroider a small smile downward and out to each side in backstitch, using black thread.
- **Lashes:** Embroider 2 to 3 short, curved stitches with black thread above the outer corner of each eye, for the cheerful, slightly shy look.
- **Cheeks:** Crochet two small flat circles in powder pink (6 sc in a magic ring, fasten off), and sew them lightly onto the cheeks below each eye.

dashed = eye placement

This is roughly how the finished face can look: wool topknot, floppy ears, bow, safety eyes, embroidered nose and mouth.

PART 4: THE BODY

The body is small and round, just big enough for Molly to sit steadily. Crocheted entirely in cream, with no separate belly panel.

Rnd	Description	Sts
1	6 sc in a magic ring	6
2	inc x 6	12
3	(1 sc, inc) x 6	18
4	(2 sc, inc) x 6	24
5	(3 sc, inc) x 6	30
6	(4 sc, inc) x 6	36
7	(5 sc, inc) x 6	42
8 to 16	42 sc, 9 rounds with no increases	42
17	(5 sc, dec) x 6	36
18	36 sc	36
19	(4 sc, dec) x 6 - stuff the body evenly and firmly now	30
20	(3 sc, dec) x 6	24
21	(2 sc, dec) x 6	18

Do not cut the yarn. Check that the body is filled evenly and firmly, especially at the bottom, so Molly sits steadily, then use that same yarn tail to attach the head on top of the body later.

PART 5: THE ARMS (MAKE 2)

The arms are short and soft, cream, just like the rest of the body.

Rnd	Description	Sts
1	6 sc in a magic ring	6
2	inc x 6	12
3 to 11	12 sc, 9 rounds	12

Cut the yarn, leaving a tail of approx. 20 cm. Stuff lightly and loosely, the arms should be soft and a little floppy, not stiff.

PART 6: THE LEGS AND PAWS (MAKE 2)

The legs are round and stuffed firmly, so Molly sits well. Each foot gets a little sewn-on paw hoof in light brown, instead of Ellie's dark hoof or Pip's embroidered pad.

Rnd	Description	Sts
1	6 sc in a magic ring, cream	6
2	inc x 6	12
3	(1 sc, inc) x 6	18
4 to 14	18 sc, 11 rounds	18

Cut the yarn, leaving a tail of approx. 20 cm. Stuff firmly, especially at the bottom, so the legs can support the body when Molly is sitting.

THE PAW HOOVES, SEWN ON

Crochet a small flat oval in light brown (6 sc in a magic ring, fasten off) for each foot, and sew it onto the front bottom of the foot, like a little hoof. Use tight, secure stitches so they hold up to squeezing and play.

PART 7: THE BOW

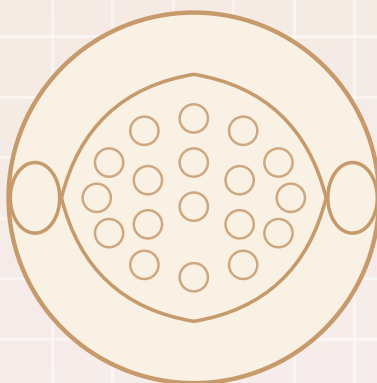

A small, simple bow in butter yellow, sewn onto the top of the wool topknot between the ears, Molly's own signature touch.

Chain 12 + 1 turning chain. Rows 1 to 3: 12 sc, 3 rows. Cut the yarn, leaving a tail of approx. 20 cm. Fold the piece in half at the middle and cinch a thread tightly around the centre to form the bow shape, then sew a small wrap of yarn around the middle to hide the cinching.

Sew the bow on centred between the ears, on top of where the wool topknot meets the forehead.

THE WOOL TOPKNOT, SEEN FROM ABOVE

This sketch shows how big the dense loop-stitch area should be when you look straight down at Molly from above: a round area covering the whole crown, with the ears sticking out on each side, outside the area.

the wool topknot, seen from above

PART 8: THE COLLAR

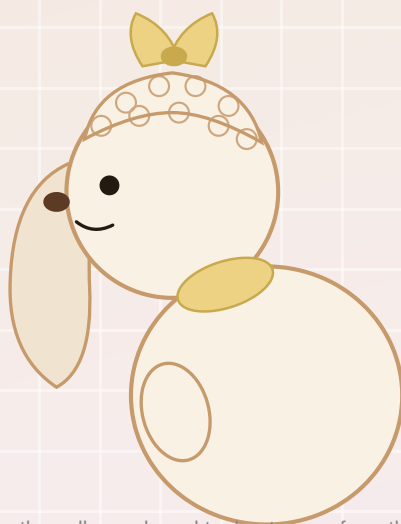

The butter yellow ruffled collar is crocheted directly around the neck, where the head will meet the body, the same model the rest of the family uses, just in a different colour.

Before sewing the head onto the body: attach butter yellow yarn at the top edge of the body, where the neck will be (18 sts). *1 sc in the next stitch, skip 1 stitch, 4 dc in the next stitch (a little fan), skip 1 stitch*, repeat all the way around the edge (6 fans in total). Fasten off and weave in the end.

The collar should sit as a little ruffled edge around the neck, with the head sewn on top, centred over the collar, just like on the rest of the family.

THE COLLAR AND WOOL TOPKNOT, SEEN FROM THE SIDE

This sketch shows Molly from the side: how the wool topknot covers the crown in a clear area, how the ear hangs softly downward, and how the collar sits right under the chin.

the collar and wool topknot, seen from the side

ASSEMBLY

Now all the pieces become Molly. Use safety pins to test the placement first, then sew everything firmly at the end. Everything is sewn on with tight running stitch or backstitch and strong, twisted thread, nothing is glued.

- 1 Sew the legs onto the bottom of the body, approx. 1 to 2 cm apart, so Molly stands steadily when she sits, and sew on the paw hooves.
- 2 Sew the arms onto each side of the body, a little below where the neck will be.
- 3 Crochet the ruffled collar around the top edge of the body, where the neck will be.
- 4 Insert the eyes, and embroider the nose, mouth, lashes and cheeks (see the face page).
- 5 Sew the head onto the body, centred over the collar. Check that the head faces forward before you sew it on completely.
- 6 Sew the wool topknot onto the crown, from the forehead and backward (see the page about the topknot seen from above).
- 7 Sew the ears onto the top of the head, one on each side, right at the edge of the wool topknot, so they hang softly downward.
- 8 Sew the bow on centred between the ears.
- 9 Fasten every loose end securely on the inside of the pieces, and trim what is left.

PHOTO GUIDE

Add your own photos of each step here once you have crocheted Molly yourself.

The head and wool topknot

Finished Molly

FINISHING, SAFETY AND CARE

FINISHING TOUCHES

- Fasten every loose end securely on the inside of the pieces: weave it back and forth through a few stitches with the yarn needle, then trim what is left.
- Check over every seam, especially along the edges of the wool topknot and the ears. If any stitches are loose or there are gaps, sew over them with a few extra stitches.
- Carefully trim away any stray loose threads from the loop stitches with small scissors, but never the loops themselves.

SAFETY

- No parts are glued, everything is sewn securely with strong thread. Double-check the seams on the eyes, nose, ears, wool topknot, arms, legs and the bow, these are the spots that get the most tugging during play.
- If you use safety eyes (version A), Molly is intended for children aged 3 and up, since small parts can loosen over time with heavy use. For the very youngest, use version B with embroidered eyes instead.
- The wool topknot's loops are soft and harmless, but should be checked regularly to make sure no loop has become so loose that a small child's finger could get caught in it. Tighten or sew over as needed.
- Always check old seams and re-sew them if you see signs of wear. Retire Molly if stuffing starts to come out, or if a piece comes loose and cannot be sewn safely back on.

WASHING AND CARE

Hand wash in lukewarm water with a little mild soap, or machine wash at 30 degrees in a wash bag. Gently press out the water in a towel, do not wring. Reshape Molly neatly and lay her flat to dry, gently coaxing the loops in the wool topknot back into place with your fingers while she is still damp.

CONGRATULATIONS, MOLLY IS DONE!

Now you have crocheted your very own Molly, the little lamb. Feel free to show her off in #lmebabycollection, I love seeing what you make!

THE REST OF THE LME BABY COLLECTION

Molly is the fourth figure in "Woodland Dreams", in the same look, yarn choice and colour palette as the rest of the family. More woodland friends are on their way over time.

- Ellie, the little fawn
- Pip, the little hedgehog
- Felix, the little fox
- Luna, the little bunny
- Oliver, the little bear
- Ellie's pacifier clip
- Ellie's rattle
- Ellie's stroller toy
- Ellie's ballerina shoes
- Ellie's activity toy
