NORGE-RUNE HAT FOR BABY AND CHILD

RED WITH RUNE-STYLE LETTERS · STRIPED BRIM · SIZE 50-170

The same NORGE rune hat as the pattern for adults: a red cotton hat knitted in the round, with a striped brim in red, white and blue, and "NORGE" in runes embroidered on with chain stitch, in one continuous line at the front, plus a little Norwegian flag on the top. Graded completely from scratch into twenty-one baby, child and teen sizes, 50 to 170. This pattern is complete on its own, you do not need any other LME pattern to knit it.

TIPS: Read the whole pattern once before you cast on. Always knit a gauge swatch first, see page 4.

BEFORE YOU START

The bucket hat is knitted in the round on a circular needle or double-pointed needles, from the bottom up, in red. You start with a striped brim that flares, then the main body straight up, and finally decrease the crown down to a small rounded top. Right at the end you embroider "NORGE" and the flag on with chain stitch.

WHAT YOU LEARN

- To knit a hat in the round on a circular needle or double-pointed needles
- To knit a striped, flared brim with a decrease round
- To embroider rune-style letters with chain stitch, following a font template
- To decrease a rounded crown evenly down to a few stitches

HOW HARD IS IT?

Beginner friendly. You should be able to cast on, knit stockinette in the round and change colour. The hat itself is knitted in just red (plus the brim stripes), the letters come on afterwards with a needle and thread, and every step is spelled out in this pattern.

Use double-pointed needles or magic loop for the smallest sizes (50-86). An ordinary circular needle is often too long for the stitches to reach round.

SIZES AND GETTING THE FIT RIGHT

The clothing size is only a guide. Always measure around the child's head, above the ears and eyebrows. Go by the head measurement if it and the clothing size point to different sizes.

Size	Approx. age	Head (cm)
50	0-1 mo	34-36
56	1-2 mo	36-38
62	2-4 mo	38-40
68	4-6 mo	40-42
74	6-9 mo	42-44
80	9-12 mo	44-46
86	12-18 mo	46-48
92	18-24 mo	48-50
98	2-3 yr	49-51
104	3-4 yr	50-52
110	4-5 yr	51-53
116	5-6 yr	52-53
122	6-7 yr	52-54
128	7-8 yr	53-54
134	8-9 yr	53-55
140	9-10 yr	54-55
146	10-11 yr	54-56
152	11-12 yr	55-56
158	12-13 yr	55-57
164	13-14 yr	56-57
170	14-16 yr	56-58

SAFE USE FOR THE YOUNGEST

The hat is a garment for supervised, awake use. It should not be used during sleep, in a cot, in a pram unattended, or if the brim covers the eyes, nose or mouth. Always check that no loose threads or long floats on the inside can catch on little fingers.

Children grow at different rates. The actual head measurement always beats age, measure again whenever you are unsure.

WHAT YOU NEED

YARN

A smooth cotton yarn (aran weight) that gives 17 stitches x 22 rounds in stockinette = 10 x 10 cm on 5 mm needles. Reynolds Saucy, Rico Design Creative Cotton Aran and Hobbii Amigo are all good choices, in red, white and navy.

Colour

Use

● Red	main colour, whole hat
○ White	stripes in the brim
● Navy	stripes in the brim, the flag

Have plenty of red main colour (almost the whole hat) and one small ball each of white and navy, they are only used in the brim.

NEEDLES AND KIT

- 5 mm circular needle, 40 cm, or 5 mm double-pointed needles/magic loop set
- **Tapestry needle with a blunt tip** for the embroidery
- Scissors and tape measure
- Stitch marker (optional, to track centre front)

**If you knit tightly, try 5.5 mm needles. If you knit loosely, try 4.5 mm.
The target is always 17 stitches over 10 cm.**

GAUGE, THE SECRET KEY

KNIT A SWATCH FIRST

Cast on 30 stitches in the main colour. Knit stockinette in the round (or back and forth with an edge) until the swatch is at least 12 x 12 cm. Wash and dry it the way you plan to treat the hat, then measure across the middle.

- More than 17 stitches over 10 cm: try a thicker needle.
- Fewer than 17 stitches over 10 cm: try a thinner needle.
- Exactly 17 stitches: use 5 mm needles and get going.

GLOSSARY

Term	Means
st	stitch
round	one whole lap around
k	knit
k2tog	knit 2 stitches together, decreases one stitch
HF	main colour (red)
chain stitch	embroidery technique that makes a chain of loops along a line

PART 1: CAST ON AND KNIT THE BRIM

- 1 Find the number for your size in the "Cast on" column in the table on the next page. Cast on exactly that many stitches in red main colour.
- 2 Check that the cast-on edge is not twisted around the needle. Join in the round and place a stitch marker at the start of the round.
- 3 Knit the brim in stockinette in the round (knit every stitch), for the number of rounds in the "Brim rounds" column. Change colour following the stripe suggestion in the table: knit each stripe for the stated number of rounds before switching to the next colour.
- 4 On the very last brim round, knit 2 stitches together all the way round. This halves the stitch count exactly, from your cast-on number down to the "Main body" number on the next page.

THE FLARED EDGE

The decrease round is what gives the brim its characteristic flared, wavy edge, it is normal for the edge to curl in a little until the hat has been worn a few times.

TABLE: THE BRIM, ALL SIZES

Size	Cast on	Brim rounds	Stripe order
50	116	6	2 red, 1 white, 1 blue, 1 white, rest red
56	122	7	2 red, 1 white, 1 blue, 1 white, rest red

152	184	15	3 red, 2 white, 3 blue, 2 white, rest red
158	186	15	3 red, 2 white, 3 blue, 2 white, rest red
164	188	16	3 red, 2 white, 3 blue, 2 white, rest red
170	190	16	3 red, 2 white, 3 blue, 2 white, rest red

Use double-pointed needles or magic loop for the whole brim on the smallest sizes, it is too narrow for an ordinary circular needle.

PART 2: THE MAIN BODY

- 1 After the decrease round, knit stockinette in the round in the main colour, all the way, with no pattern. This is now the main body of the hat, the part that shows the most.
- 2 Knit plain until the whole main body measures the "Height to top" value in the table on the next page, measured from the decrease round. Do not worry about the letters yet, you embroider those on at the end, see Part 3.

TABLE: MAIN BODY

Size	Stitches (main body)	Height to top
50	58	5.5 cm
56	61	6 cm
62	65	6.5 cm
68	68	7 cm
74	72	7.5 cm
80	75	8 cm
86	78	8.5 cm
92	81	9 cm
98	83	9 cm
104	85	9 cm
110	86	9.5 cm
116	87	9.5 cm
122	88	10 cm
128	89	10 cm
134	89	10.5 cm
140	90	10.5 cm
146	91	10.5 cm
152	92	11 cm
158	93	11 cm
164	94	11 cm
170	95	11 cm

The letters are embroidered in the middle of the main body height, not right down against the brim and not right up at the top. More about that on the next page.

PART 3: HOW TO EMBROIDER THE LETTERS

The hat is now fully knitted, all red with a striped brim. You add the letters with chain stitch: a chain of loops that follows the line on the font template on the next page, and sits on top of the knitting as a clear, raised line.

HOW TO WORK CHAIN STITCH

Bring the needle up through the knitting, where the letter is to begin, along the line on the template.

Lay a loop of yarn in front of the needle, hold it loosely with your thumb, and take the needle back down a small step further along the line.

Come back up inside the loop and pull snug, just tight enough. Repeat link after link along the whole letter, this is called chain stitch.

GOOD TIPS

- Do not pull the yarn tight. The loops should sit loose and relaxed on top of the knitting, not tight.
- Trace the letters lightly with a water-soluble marker following the template first, so you hit the shape.
- Leave a 5 cm tail hanging on the inside at the start and end, weave in the ends when you are done.

A link come out wrong? Just pull it gently back out and try again.

THE LETTER TEMPLATE AND THE FLAG

Here is NORGE in rune style. Embroider the word on in one continuous line, centred at the front. The bottom of the letters sits in the middle of the main body height, see page 8.

NORGE

THE FLAG ON THE TOP

- **Centre front:** The word is centred at the front, directly opposite the stitch marker (which sits at centre back).
- **The flag:** Find the middle of the top where the stitches were pulled together. Embroider a white cross with chain stitch first, then a slightly narrower blue cross on top of the middle.

PART 4: THE CROWN

- 1 When the main body measures the value in the table on page 8, knit one setup round: decrease the number of stitches given in the "Decrease" column in the table on the next page, evenly spaced around the whole round. If it says "No decrease", skip this round and go straight to the next step.
- 2 Divide the remaining stitches into 7 equal sections. Place a stitch marker between each section (7 markers in total, plus the one at the start of the round).
- 3 Knit to 2 stitches before each marker, knit these 2 together. Repeat at all 7 markers, giving 7 decreases per round.
- 4 Sizes 50–68: knit 1 plain round with no decreases after the first 3 decrease rounds, then decrease on every round after that. Sizes 74–170: knit 1 plain round after the first 4 decrease rounds, then decrease every round after that.
- 5 Continue until 7 stitches (one per section) remain. Cut the yarn leaving a generous tail, thread it through the remaining stitches with a tapestry needle, pull tight and fasten off securely on the inside.

CARE AND FINAL CHECK

FINISHING

Weave in all loose ends securely on the inside, especially at the colour changes in the brim and around the embroidery. Check that the embroidered stitches lie loose, not tight.

CARE

Wash following the yarn's recommendation, often 30°C on a gentle cycle in a wash bag, or by hand. Do not tumble dry. Shape the hat over a bowl or glass of the right size and let it dry flat or on the form.

CHECKLIST

- ☐ The head measurement has been checked, not just age
- ☐ The swatch matches 17 stitches x 22 rounds over 10 cm
- ☐ The brim has the flared edge from the decrease round
- ☐ NORGE is in rune style on one line at the centre front
- ☐ All embroidered stitches lie loose, not tight
- ☐ The top is pulled tight and well fastened off

Congratulations, you have knitted your very own NORGE rune hat!
