

LME CROCHET PATTERN

## **NORGE BUCKET HAT**

RUNES EMBROIDERED ON • STRIPED BRIM

A red bucket hat crocheted in cotton. You crochet the whole hat in red, with a striped brim in red, white and blue at the bottom. Then you embroider "NORWAY" in real runes (Elder Futhark) on in one line around the front, and a little Norwegian flag on the top. Sizes from child to man.

[lmexplorers.com](https://lmexplorers.com)

*TIP: Read the whole pattern through once first. The gauge decides the size, so crochet a little gauge swatch.*

## SIZE AND MATERIALS

### SIZE

Measure around the head and choose the size that fits. You crochet the top until you have the stitch count for your size, the rest is the same for everyone.

| Size            | Stitches around | Fits head size |
|-----------------|-----------------|----------------|
| Child           | 66              | 48-51 cm       |
| Woman S         | 72              | 52-54 cm       |
| Woman M         | 78              | 54-56 cm       |
| Woman L / Man S | 84              | 56-58 cm       |
| Man M           | 90              | 58-61 cm       |
| Man L           | 96              | 61-63 cm       |

### MATERIALS

**DROPS Paris** (100% cotton):

| Colour                                                                                                | Amount       |
|-------------------------------------------------------------------------------------------------------|--------------|
|  Red (main colour) | 3 to 4 balls |
|  White             | 1 ball       |
|  Navy blue         | 1 ball       |

- Crochet hook **5 mm** (or the one that gives the right gauge)
- Stitch marker
- **Tapestry needle with a blunt tip** for the embroidery
- Scissors

## GAUGE AND GLOSSARY

### GAUGE, THE IMPORTANT KEY

**14 sc x 16 rounds = 10 x 10 cm** (crocheted in a spiral in single crochet on a 5 mm hook).

Crochet a little gauge swatch and measure. If the swatch is too big, switch to a thinner hook. Too small, switch to a thicker hook. The right gauge gives the right size.

### ABBREVIATIONS

| Short       | Means                                                         |
|-------------|---------------------------------------------------------------|
| ch          | chain                                                         |
| sc          | single crochet                                                |
| sl st       | slip stitch                                                   |
| inc         | increase (2 sc in the same stitch)                            |
| st          | stitch(es)                                                    |
| stem stitch | an embroidery stitch that makes a smooth line, good for runes |
| ( )         | total number of stitches in the round                         |

The whole hat is crocheted in a spiral in single crochet, without closing off the rounds. The runes and the flag are embroidered on at the end.

## PART 1: THE TOP

The top is crocheted in a spiral in single crochet, from a magic ring and outwards. Put a stitch marker in the first stitch and move it up each round. **Crochet the increase rounds until you have the stitch count for your size** (see the table on page 2), then go to PART 2.

| Rnd | Description                        | Sts |
|-----|------------------------------------|-----|
| 1   | 6 sc in magic ring                 | 6   |
| 2   | inc x 6                            | 12  |
| 3   | (1 sc, inc) x 6                    | 18  |
| 4   | (2 sc, inc) x 6                    | 24  |
| 5   | (3 sc, inc) x 6                    | 30  |
| 6   | (4 sc, inc) x 6                    | 36  |
| 7   | (5 sc, inc) x 6                    | 42  |
| 8   | (6 sc, inc) x 6                    | 48  |
| 9   | (7 sc, inc) x 6                    | 54  |
| 10  | (8 sc, inc) x 6                    | 60  |
| 11  | (9 sc, inc) x 6 → Child            | 66  |
| 12  | (10 sc, inc) x 6 → Woman S         | 72  |
| 13  | (11 sc, inc) x 6 → Woman M         | 78  |
| 14  | (12 sc, inc) x 6 → Woman L / Man S | 84  |
| 15  | (13 sc, inc) x 6 → Man M           | 90  |
| 16  | (14 sc, inc) x 6 → Man L           | 96  |

The top is a flat circle. Stop the increases at your stitch count, and it curves nicely.

## PART 2: THE SIDES

Now you crochet straight up in a spiral in red, without increases. You have the same stitch count that the top ended on, on each round. The sides are all red, the runes are embroidered on at the end.

Crochet sc round and round until the sides measure:

Child

Woman

Man

approx. 14 cm

approx. 18 cm

approx. 19 to 20 cm

Measure from where the top curved down to the hook. The hat should cover well over the ears.

Try the hat on as you go. If you want it deeper, crochet a couple more rounds before the brim.

## PART 3: THE STRIPED BRIM

The brim curves outwards and gets stripes in the flag colours: red, white and blue. You increase evenly on some of the rounds, so the brim flares out nicely. Change colour on the last step of the stitch before the change, so it stays clean.

| Rnd    | Description                               | Sts          |
|--------|-------------------------------------------|--------------|
| brim 1 | inc evenly: about every 6th stitch, RED   | +approx. 1/6 |
| brim 2 | sc all the way around, RED                | =            |
| brim 3 | inc evenly: about every 7th stitch, WHITE | +approx. 1/7 |
| brim 4 | sc all the way around, WHITE              | =            |
| brim 5 | inc evenly: about every 8th stitch, BLUE  | +approx. 1/8 |
| brim 6 | sc all the way around, BLUE               | =            |
| brim 7 | sc all the way around, RED                | =            |
| brim 8 | sl st around for a firm edge, RED         | =            |

Want a wider brim? Repeat one more stripe pair (two rounds white, two rounds blue) with an increase round in between. Fasten off well at the end.

## PART 4: EMBROIDER THE RUNES AND THE FLAG

Now the hat itself is done. The runes and the flag are embroidered on top of the red surface with white (and blue) yarn. Use the tapestry needle and **stem stitch** (or chain stitch): stitch after stitch along the lines of the rune, so it becomes a smooth white line.

### GOOD ADVICE

- Draw the runes lightly with a water-soluble marker first, or place pins as guides, so you hit the lines.
- Keep the stitches an even length and follow the lines in the rune chart (page 8). A rune is just straight lines, so it is easier than it looks.
- Do not pull the yarn tight. Let the runes lie loosely on top, so the hat does not pucker.
- Fasten all ends well on the inside when you are done.

The runes are real Elder Futhark, the Norse runic alphabet. You write NORWAY rune by rune, just as the Vikings carved them in stone.

## THE RUNES: NORWAY

This is what each rune looks like. Embroider them in this order, on one line, centred at the front. Each rune is about 5 to 6 cm tall. Embroider the bottom of the runes about 3 to 4 cm above the striped brim.

### THE RUNES, ONE BY ONE

### NORWAY ON ONE LINE

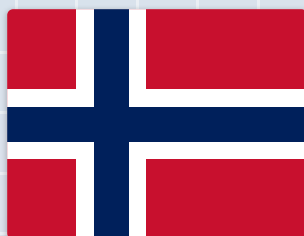

- **Centre front:** The word is centred at the front of the hat, directly opposite the seam/marker at the centre back. All the runes are on the **same line**, never split into two rows.
- **Spacing:** keep an even gap between each rune, about one rune width, so the word looks even. The word wraps a little towards the sides, and it is meant to.
- Embroider with white yarn and stem stitch along the lines. Use two strands for thicker runes if you like.

## THE FLAG ON THE TOP

On the top of the hat you embroider a small Norwegian flag: a white cross with a blue cross inside, on the red background. The cross sits in the middle of the top, with the short arm towards the forehead.

### HOW TO DO IT

- Find the middle of the top (where the magic ring was). Place the cross so it divides the top into four.
- Embroider the **white cross** first with stem stitch: one arm forward, one back and one to each side. Make the white lines a little wide.
- Then embroider the **blue cross** on top of the middle of the white, a little narrower, so the white shows around the blue. That makes the flag look right.
- The arms of the cross can go all the way to the edge of the top, or stop a little in. Both look nice.

## FINISHED AND CARE

### CHECKLIST

- The hat is all red, with a striped brim in red, white and blue
- NORGE is in runes on one line at the centre front
- A little Norwegian flag is embroidered on the top
- All ends are woven in on the inside

### CARE

- Hand wash lukewarm, or machine wash at 40 degrees (cotton takes it fine).
- Squeeze the water out in a towel, do not wring. Lay flat to dry and shape the brim.

**Congratulations! You have crocheted a NORWAY rune hat, ready for the 17th of May and everything we celebrate for Norway.**
