RO BUCKET HAT FOR BABY AND CHILD

WHITE WITH BLUE RO, FLAG AND WAVES · SIZE 50-170

The same RO bucket hat as the pattern for adults: a white cotton hat with the Norwegian flag and "RO" in blue at the front, and two blue waves at the back, with a blue brim with increases that finishes in a wavy edge. Graded completely from scratch into twenty-one baby, child and teen sizes, 50 to 170. This pattern is complete on its own, you do not need any other LME pattern to crochet it.

TIPS: Read the whole pattern once before you start. Always crochet a gauge swatch first, see page 4.

BEFORE YOU START

The bucket hat is crocheted in a spiral (not joined rounds) in single crochet, from the top down, in white main colour. You first crochet a rounded top that grows from a small ring, then the sides straight down with "RO" and the flag at the front and two waves at the back, crocheted right in with single crochet, and finally a blue brim with increases that finishes in a wavy edge.

WHAT YOU LEARN

- To crochet in a spiral from a magic ring
- To increase evenly to crochet a flat, rounded top
- To place and crochet two different motifs (RO+flag at front, waves at back) from charts
- To crochet a blue brim with increases and a wavy finish

HOW HARD IS IT?

Beginner friendly, with a little practice at colour changes. You should be able to single crochet, know how to start a magic ring, and change colour. The motifs are crocheted with only two colours at a time, and every step is spelled out in this pattern.

Use a stitch marker (a safety pin or a bit of contrast yarn works fine) in the first stitch of every round, so you do not lose count in the spiral.

SIZES AND GETTING THE FIT RIGHT

The clothing size is only a guide. Always measure around the child's head, above the ears and eyebrows. Go by the head measurement if it and the clothing size point to different sizes.

Size	Approx. age	Head (cm)
50	0-1 mo	34-36
56	1-2 mo	36-38
62	2-4 mo	38-40
68	4-6 mo	40-42
74	6-9 mo	42-44
80	9-12 mo	44-46
86	12-18 mo	46-48
92	18-24 mo	48-50
98	2-3 yr	49-51
104	3-4 yr	50-52
110	4-5 yr	51-53
116	5-6 yr	52-53
122	6-7 yr	52-54
128	7-8 yr	53-54
134	8-9 yr	53-55
140	9-10 yr	54-55
146	10-11 yr	54-56
152	11-12 yr	55-56
158	12-13 yr	55-57
164	13-14 yr	56-57
170	14-16 yr	56-58

SAFE USE FOR THE YOUNGEST

The hat is a garment for supervised, awake use. It should not be used during sleep, in a cot, in a pram unattended, or if the brim covers the eyes, nose or mouth. Always check that no loose threads or long floats on the inside can catch on little fingers.

Children grow at different rates. The actual head measurement always beats age, measure again whenever you are unsure.

WHAT YOU NEED

YARN

A smooth cotton yarn (aran weight) that gives 14 single crochet x 16 rounds = 10 x 10 cm, crocheted in a spiral. Reynolds Saucy, Rico Design Creative Cotton Aran and Hobbii Amigo are all good choices, in white/natural, royal blue and a little red.

Colour

Use

○ White/natural	main colour, top and sides
● Royal blue	whole brim, RO, the waves
● Red	the flag
● Navy	the flag

Have plenty of white main colour (almost the whole hat) and a little royal blue, red and navy for the brim and the motifs.

HOOK AND KIT

- A crochet hook that gives the stated gauge, often 3.5–4 mm for an aran yarn
- Tapestry needle, scissors and tape measure
- Stitch marker for the first stitch of every round

If you crochet tightly, try a bigger hook. If you crochet loosely, try a smaller one. The target is always 14 single crochet over 10 cm.

GAUGE, THE SECRET KEY

CROCHET A SWATCH FIRST

Crochet a square at least 12 x 12 cm in single crochet with the white main colour. Wash and dry it the way you plan to treat the hat, then measure across the middle.

- More than 14 sc over 10 cm: try a bigger hook.
- Fewer than 14 sc over 10 cm: try a smaller hook.
- Exactly 14 sc: use your hook and get going.

GLOSSARY

Term	Means
sc	single crochet
round	one whole lap around
inc	increase, 2 sc in the same stitch
sc2tog	crochet 2 stitches together, decreases one stitch
MC	main colour (white)
spiral	the rounds are worked as one continuous round, no slip stitch or chain-up, follow the stitch marker
float	the thread that runs on the inside when the colour is not in use

PART 1: THE TOP

- 1 Crochet 6 sc into a magic ring in white main colour. Pull the ring closed. Place a stitch marker in the first stitch, move the marker up one stitch for every new round. From now on everything is worked in a spiral, no slip stitch.
- 2 Round 2: inc (2 sc) in every stitch around = 12 stitches.
- 3 Round 3: *inc, 1 sc*, repeat around = 18 stitches.
- 4 Round 4: *inc, 1 sc, 1 sc*, repeat around = 24 stitches. Continue the same way: every new round increases 6 stitches evenly spaced, with one more plain sc between each increase than the round before.
- 5 Find the number for your size in the "Standard round" column in the table on the next page. Keep increasing this way until you have crocheted exactly that round.
- 6 If your size has a number other than 0 in the "Extra" column, crochet one more round: spread that many increases evenly around the round (for example every sixth or seventh stitch), plain sc the rest. That lands you exactly on the "Total" number.

Check the diameter against the table on the next page, not just the stitch count. If you are more than 0.5 cm off, adjust your hook size before continuing.

TABLE: THE TOP, ALL SIZES

Size	Standard round	Extra	Total stitches	Top diam. (cm)
50	8	0	48	10.9
56	8	3	51	11.6
62	9	0	54	12.3
68	9	3	57	13.0
74	10	0	60	13.6

164	13	1	79	18.0
170	13	2	80	18.2

PART 2: THE SIDES WITH RO AND THE WAVES

- 1 Once the top has the right stitch count, crochet straight down with no more increases. Keep the stitch count from the table on the previous page through this whole part, this is now the sides of the hat.
- 2 Crochet the number of rounds given in the "Before motif" column in the table below, in white main colour.
- 3 Crochet "RO" and the flag at the front, and the two waves at the back, at the same time, 7 rounds, see the charts on the next page. Important: because the hat is crocheted from the top down, you work the charts **bottom to top**, just like the knitting pattern.
- 4 Continue plain in white main colour after the motifs, for the number of rounds in the "After motif" column.

IMPORTANT: CROCHET THE MOTIF RIGHT IN

The motifs are crocheted right into the sides as you go, not embroidered on afterwards. Carry the colour you are not using on top of the round and crochet the white stitches around it, so it stays hidden inside. Where a motif should be, pick up the colour from the chart and crochet with that instead. Change colour on the last pull-through of the stitch before, so the change comes out clean. Keep the carried thread loose on the inside, or the hat will pull tight.

TABLE: THE SIDES

Size	Before motif (rnds)	Motif (rnds)	After motif (rnds)	Finished circ. (cm)
50	2	7	3	34.3

140	4	7	14	54.5

THE CHARTS, FRONT AND BACK

The motifs are crocheted in royal blue, red and navy on a white background: each square in the chart is exactly one single crochet and one round.

HOW TO PLACE THE MOTIFS

Count the stitches around and find centre front (directly opposite the stitch marker, which sits at centre back). RO is 15 stitches wide, centre it around centre front. Crochet the flag about 2 rounds above RO, centred. Crochet the waves on the same round as RO, one on each side of centre back (the stitch marker), with a little white in between.

CHART: RO (7 STITCHES PER LETTER X 9 ROUNDS)

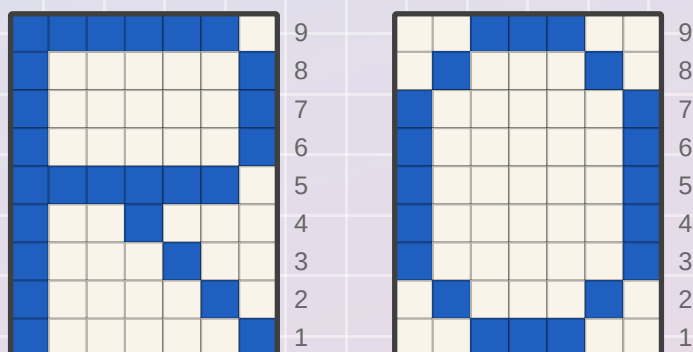

CHART: THE FLAG (13 STITCHES X 10 ROUNDS)

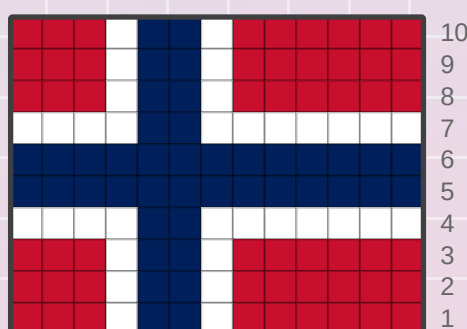

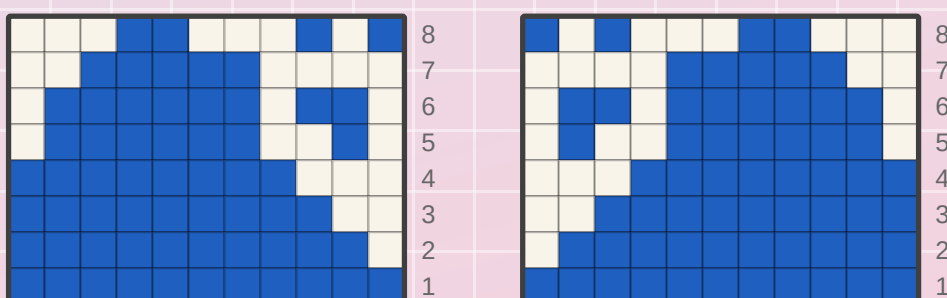

CHART: THE WAVES, BACK (11 STITCHES X 8 ROUNDS, ONE MIRRORED)

PART 3: THE BRIM

- 1 Switch to royal blue, the only colour the brim is crocheted in. Crochet one round with no increase in the new colour.
- 2 Find the "Increase on rnd" column in the table on the next page. On each of these round numbers (counted from the start of the brim), spread the number of increases from the "Increases each time" column evenly around the round. On the rounds in between, crochet one plain sc in every stitch.
- 3 Continue until the brim has been crocheted for the number of rounds in the "Brim rounds" column on page 3, all the way in royal blue. The end result comes out at about the "Approx. total" number.
- 4 Right at the outer edge, finish with the wavy edge, still in royal blue: for a calm wave, finish with slip stitches or crab stitch. For a more pronounced wave: *3 sc in the next stitch, 1 sc, skip 2 stitches*, repeat around.

For the smallest sizes (50–68) the calm finish is recommended, so the brim does not sit heavy in front of the face.

CARE AND FINAL CHECK

FINISHING

Cut the yarn leaving a generous tail and fasten it off securely on the inside. Weave in all loose ends, especially at the colour changes around the motifs and in the brim. Check that the floats on the inside lie loose.

CARE

Wash following the yarn's recommendation, often 30°C on a gentle cycle in a wash bag, or by hand. Do not tumble dry. Shape the hat over a bowl or glass of the right size and let it dry flat or on the form.

CHECKLIST

- ☐ The head measurement has been checked, not just age
- ☐ The swatch matches 14 sc x 16 rounds over 10 cm
- ☐ The top's diameter matches the table on page 7
- ☐ RO and the flag are centred at centre front, the waves at centre back
- ☐ All floats on the inside lie loose
- ☐ The brim has been crocheted for the stated number of rounds and has the wavy edge

Congratulations, you have crocheted your very own RO bucket hat!
