

STRAWBERRY DREAM SET

JUMPER AND SKIRT · SIZES 44 TO 92

A matching two-piece set: a top-down jumper with a round yoke and long sleeves, and a separate skirt with a green rib at the waist. Both pieces share the same leaf and seed pattern, and both end in a scalloped hem with a narrow green edge. Graded in nine sizes, from small newborn to two years.

Read the whole pattern before you start, and knit a gauge swatch. Mark your own size in the tables so you do not have to search as you go. Test knit version 1.0

BEFORE YOU START

The jumper is knitted top-down with a round yoke and long sleeves, with no neck opening. The skirt is knitted separately, also from the top down, with a folded waistband that has a green rib at the waist. The two pieces share the charts, the gauge and the colours, but are knitted entirely independently.

WHAT YOU WILL LEARN

- knitting a jumper with a round yoke
- dividing for body and sleeves, and working sleeves in the round
- knitting a skirt with a ribbed waistband and a scalloped hem
- working a scalloped hem with a green edge on body and sleeves

DIFFICULTY

Easy to slightly experienced. The sleeves are the only part with few stitches on the needle, and there Magic Loop or double-pointed needles help.

SIZES

The pattern is graded in nine sizes, from 44 to 92, that is from small newborn to two years. Choose by the child's chest measurement, not by age. The ages are only a guide, and a baby born early follows its own curve. Between two sizes, take the larger one, since a garment that is slightly big lasts longer.

THE CHILD'S MEASUREMENTS

Size	Suits	Child chest	Ease
44	small newborn / preemie	32 cm	6,1 cm
50	newborn, 0-1 mo	35 cm	6,9 cm
56	1-2 mo	38 cm	5,8 cm
62	2-4 mo	41 cm	6,6 cm
68	4-6 mo	43 cm	6,5 cm
74	6-9 mo	45 cm	6,4 cm
80	9-12 mo	47 cm	6,3 cm
86	12-18 mo	49 cm	6,2 cm
92	18-24 mo, 2 years	51 cm	6,1 cm

HOW TO READ THE TABLES

Every number in the pattern is given in its own column per size. Find your column once, mark it with a pen, and read only that one from there on.

GAUGE

21 stitches and 28 rounds in stocking stitch = 10 x 10 cm on 4 mm needles. Knit your swatch in the round, not flat, and measure it after washing and drying flat. More than 21 stitches means one needle size up, fewer means one down. The gauge decides every measurement here.

LEAF AND SEED CHARTS

The rounds are worked in the order they are numbered, round 1 first, and each round is read from right to left, the same way you knit. The leaf repeat is 8 stitches and is repeated all the way round the yoke. The number of repeats for your size is given further on.

LEAF, 8 STITCHES x 10 ROUNDS

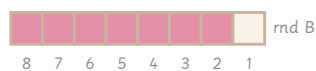

● leaf green ● strawberry pink ● cream white, one seed

SEED, 8 STITCHES

A

B

The seeds are single cream white stitches, and they are knitted in over ALL the pink, over the bodice and all the way down the skirt. The rhythm is the same everywhere: seed round A, 4 rounds in pink, seed round B, 4 rounds in pink, and so on. The two rounds offset the seeds against each other, so they lie scattered rather than in vertical columns.

The float behind the work is never longer than 3 stitches in either chart. That is deliberate: long loose strands on the inside are both uncomfortable against the skin and something small fingers can catch in. Keep the carried yarn loose enough that the work does not pucker.

JUMPER · 1 · NECK AND YOKE

Cast on in green on 4 mm needles with a stretchy cast-on, join in the round and work 5 rounds of twisted rib. The jumper has no neck opening, so the neck has to pass over the head, and there the cast-on edge decides. Cast on loosely, for instance over two needles held together. Then divide the stitches into 8 equal sections, place a marker between each, and increase 1 stitch in each section every other round, that is 8 stitches per increase round, until you have the stitch count in your column. Work the even rounds in the last column, then the leaf repeat from page 5 over 8 stitches. Finish with 1 round in pink.

Size	Cast on	Per section	Inc. rnds	Even rnds	Yoke	Leaf rep.
44	56 sts	7	7	3	112 sts	14 x
50	64 sts	8	8	5	128 sts	16 x
56	64 sts	8	9	5	136 sts	17 x
62	72 sts	9	10	5	152 sts	19 x
68	72 sts	9	11	5	160 sts	20 x
74	80 sts	10	11	6	168 sts	21 x
80	80 sts	10	12	6	176 sts	22 x
86	80 sts	10	13	5	184 sts	23 x
92	88 sts	11	13	6	192 sts	24 x

The neck is calculated from the head, not guessed: it sits at 80 to 87 % of the head circumference in every size. The rib stretches the rest as the jumper goes on, and draws back in afterwards. If it still feels tight, it is almost always the cast-on edge that is too firm, not the stitch count.

JUMPER · 2 · DIVIDE FOR BODY AND SLEEVES

Read the row for your size from left to right, in the order you knit: the front, the stitches you place on hold for the first sleeve, the stitches you cast on under the arm, the back, then the same sleeve on the other side. The jumper casts on 4 stitches under each arm, two more than the dress and the romper, because a sleeve needs a little extra width at the underarm.

Size	Front	Hold for sleeve	Cast on	Back	Body
44	38	18	4	38	84 sts
50	42	22	4	42	92 sts
56	44	24	4	44	96 sts
62	48	28	4	48	104 sts
68	50	30	4	50	108 sts
74	52	32	4	52	112 sts
80	54	34	4	54	116 sts
86	56	36	4	56	120 sts
92	58	38	4	58	124 sts

JUMPER · 3 · THE BODY

Work in pink stocking stitch in the round with seeds. The seeds are knitted in all the way down, not just here. The rhythm is the same everywhere: seed round A, 4 rounds in pink, seed round B, 4 rounds in pink, and so on. Start as soon as the pink starts, right after the leaf panel. Work until the body measures the length in your column, measured straight down from the underarm. Then work the scalloped hem, which is on the next page.

Size	Body stitches	Chest	Length from underarm	Rounds of rib
44	84 sts	40,0 cm	11 cm	6
50	92 sts	43,8 cm	12 cm	6
56	96 sts	45,7 cm	13 cm	6
62	104 sts	49,5 cm	14 cm	6
68	108 sts	51,4 cm	15 cm	6
74	112 sts	53,3 cm	16 cm	6
80	116 sts	55,2 cm	17 cm	6
86	120 sts	57,1 cm	18 cm	6
92	124 sts	59,0 cm	19 cm	6

The body ends with the scalloped hem on the next page. Never cast off in a scallop round, always in the green edge after it, and cast off very loosely. A tight cast-off pulls the scallops together, and then the edge comes out straight.

JUMPER · 4 · THE SLEEVES

Place the held sleeve stitches on the needle and pick up the stitches under the arm. Place a marker at the centre of the underarm. Work in pink stocking stitch in the round, with a few seeds spaced well apart. Decrease 1 stitch at each side of the marker, that is 2 stitches per decrease round, spread evenly over the length of the sleeve. The number of decrease rounds is given in your column.

Size	Held stitches	Pick up	Upper arm	Decrease rounds	Cuff	Sleeve length
44	18	4	22 sts	3	16 sts	14 cm
50	22	4	26 sts	4	18 sts	16 cm
56	24	4	28 sts	4	20 sts	18 cm
62	28	4	32 sts	5	22 sts	20 cm
68	30	4	34 sts	5	24 sts	21 cm
74	32	4	36 sts	5	26 sts	22 cm
80	34	4	38 sts	5	28 sts	23 cm
86	36	4	40 sts	5	30 sts	24 cm
92	38	4	42 sts	5	32 sts	25 cm

THE CUFF

When the sleeve is long enough that only the depth of the wave edge is missing, work the scalloped hem from the next page, exactly as on the body. The depth is in the table there. Work the second sleeve the same, and count the rounds rather than measuring, so the two come out the same length.

JUMPER · 5 · PREPARING THE SCALLOPED HEM

The body and the sleeves both end with the same scalloped hem. Change to green and work 1 round in knit, increasing evenly to the stitch count in your column as you go. It is only a few stitches, and they are there so the scallops come out even all the way round. Work 1 more round in knit, then go on to the next page.

Size	Body stitches	Body, increase to	Scallops	Sleeve stitches	Sleeve, increase to	Scallops
44	84 sts	84 sts	14 x	16 sts	18 sts	3 x
50	92 sts	96 sts	16 x	18 sts	18 sts	3 x
56	96 sts	96 sts	16 x	20 sts	24 sts	4 x
62	104 sts	108 sts	18 x	22 sts	24 sts	4 x
68	108 sts	108 sts	18 x	24 sts	24 sts	4 x
74	112 sts	114 sts	19 x	26 sts	30 sts	5 x
80	116 sts	120 sts	20 x	28 sts	30 sts	5 x
86	120 sts	120 sts	20 x	30 sts	30 sts	5 x
92	124 sts	126 sts	21 x	32 sts	36 sts	6 x

Spread the increases evenly round, not gathered in one place. Gathered, the jumper gets a pouch right there, and it shows when the garment hangs.

JUMPER · 6 · THE WAVE

The scallop is 6 stitches and is repeated round. Work these three rounds:

- Round 1, the scallop round, in PINK: *ssk, M1R, k2, M1L, k2tog*, repeated round. The stitch count stays the same, but the edge shapes itself into rounded scallops.
- Round 2: knit.
- Round 3: knit.

Repeat the three rounds as many times as your column says. Then change to green, work 3 rounds in knit, and cast off very loosely. The green edge sits as a narrow line along the curve of the scallops, down into the valleys too.

Size	Scallop rounds	Rounds in all	Depth of the edge
44	2 x	8 x	2,9 cm
50	2 x	8 x	2,9 cm
56	2 x	8 x	2,9 cm
62	3 x	11 x	3,9 cm
68	3 x	11 x	3,9 cm
74	3 x	11 x	3,9 cm
80	3 x	11 x	3,9 cm
86	4 x	14 x	5,0 cm
92	4 x	14 x	5,0 cm

The decreases sit in the valley between the scallops and the increases at the centre of each. That is what shapes the edge. The increases are closed, not yarn overs: the design images show a solid edge with no holes.

SKIRT · 5 · THE WAISTBAND

Cast on loosely in green and join in the round. The stitch count already divides by 8, so the leaf repeat comes out even without adjustment. Work *k1, p1* in the round for 3 cm, then 2 cm of green stocking stitch. That is where the leaf repeat starts, on the next page.

Size	Cast on	Leaf repeats	Waist	Rib	Green above the rib
44	72 sts	9 x	34,3 cm	3 cm	2 cm
50	80 sts	10 x	38,1 cm	3 cm	2 cm
56	88 sts	11 x	41,9 cm	3 cm	2 cm
62	96 sts	12 x	45,7 cm	3 cm	2 cm
68	104 sts	13 x	49,5 cm	3 cm	2 cm
74	112 sts	14 x	53,3 cm	3 cm	2 cm
80	120 sts	15 x	57,1 cm	3 cm	2 cm
86	128 sts	16 x	61,0 cm	3 cm	2 cm
92	136 sts	17 x	64,8 cm	3 cm	2 cm

Cast on loosely. The rib must stretch over the hips, and a tight cast-on edge is the most common reason a baby skirt will not go on. If you want elastic at the waist, the other way of working the waistband is at the bottom of page 7.

SKIRT · 6 · LEAVES, WIDTH AND LENGTH

Work the leaf repeat from page 5 over 8 stitches, repeated as many times as your column says. Then change to pink and work *k2, M1*, repeat round. The skirt is now at full width. Continue in pink stocking stitch, keeping the seed rhythm running unbroken all the way down the skirt, until the skirt measures the length in the last column, measured below the waistband.

Size	Waistband stitches	Leaf repeats	*k2, M1* gives	Skirt width	Length from waistband
44	72 sts	9 x	110 sts	52,4 cm	16 cm
50	80 sts	10 x	120 sts	57,1 cm	18 cm
56	88 sts	11 x	130 sts	61,9 cm	20 cm
62	96 sts	12 x	140 sts	66,7 cm	22 cm
68	104 sts	13 x	160 sts	76,2 cm	24 cm
74	112 sts	14 x	170 sts	81,0 cm	26 cm
80	120 sts	15 x	180 sts	85,7 cm	28 cm
86	128 sts	16 x	190 sts	90,5 cm	30 cm
92	136 sts	17 x	200 sts	95,2 cm	32 cm

The leaves on the skirt point downwards, just as on the jumper yoke, so the two pieces match when worn together.

SKIRT · 7 · SCALLOPED HEM AND OPTIONAL ELASTIC

THE SCALLOPED HEM WITH A GREEN EDGE

The skirt ends with the same scalloped hem as the dress and the romper, with scallops of 10 stitches. The stitch count already divides into whole scallops, so there is no increasing here. Work the scallop round in PINK: *ssk, k2, M1R, k2, M1L, k2, k2tog*, repeated round, and repeat it 5 times in all. Then change to green, work 3 rounds in knit, and cast off very loosely.

Size	Stitches at hem	Scallops	Sts per scallop	Scallop rounds	Green rounds
44	110 sts	11 x	10	5	3
50	120 sts	12 x	10	5	3
56	130 sts	13 x	10	5	3
62	140 sts	14 x	10	5	3
68	160 sts	16 x	10	5	3
74	170 sts	17 x	10	5	3
80	180 sts	18 x	10	5	3
86	190 sts	19 x	10	5	3
92	200 sts	20 x	10	5	3

ELASTIC AT THE WAIST, OPTIONAL

The skirt in this pattern has a green rib at the waist, with no elastic, as the design photo shows. If you would rather have elastic, work the waistband as a folded edge instead: cast on in green, work 2.5 cm in stocking stitch, 1 purl round for the fold line, and another 2.5 cm in stocking stitch. Place the cast-on edge on a spare needle and knit one stitch from each needle together round, leaving an opening of 2 cm. Then measure the baby's waist, cut a soft elastic 1 cm shorter than the measurement, thread it through with a safety pin, sew the ends firmly together and close the opening. Check with a finger: you should slip easily under the waistband.

If you choose elastic, remember that the skin on the smallest children is especially delicate. If in doubt, choose the looser elastic and tighten it later if needed.

FOR YOU, THE TEST KNITTER

This edition of the set is a test knit version. Every stitch count has been calculated from the babies' measurements and the gauge, and checked against the others, but nobody has knitted from the pattern yet. You are the first. That means you may run into things I have not seen, and that is exactly why I need you.

WHAT I NEED FROM YOU

- Which size you knitted, and which yarn and needles you used.
- Your own gauge, measured on a washed swatch dried flat.
- The finished measurements of the garment after washing, in the form below.
- Anything unclear: a sentence you had to read three times, a stitch count that did not add up, a place where you had to guess.
- A photo of the finished garment, on the baby if you like.
- Tell me if the pattern reminds you of one you have seen before. Strawberry Dream is drawn for LME, and I want to know straight away if something still sits too close to something else.

HOW TO SEND IT IN

Send the form, your comments and any photos to <https://lmexplorers.com/teststrikk>. The deadline is given in the email the pattern came in.

Nothing is too small to mention. Whatever tripped you up will trip up the next knitter too, and it is far easier to fix now than later.

FINISHING AND AFTERCARE

CHECKLIST

- Weave in all ends flat and firmly on the wrong side. Do not cut them flush.
- Soak the work in lukewarm water with wool detergent. Do not rub or wring.
- Press the water out in a towel and dry the garment flat to the given measurements.
- Check all buttons, ties, edges and loose ends before the garment is worn.
- Check that the waistband sits softly and leaves no marks after an hour of wear.
- Measure the garment after washing and write the numbers in the form on the previous page.

SAFETY

Buttons and ties on children's garments must always be checked before use, and the garment worn only under supervision. Sew buttons on with strong thread and go over them again after every wash. In the smallest sizes the garment sits right against the skin, so feel that no seam or knot presses hard.

Happy knitting!
