TIP: Read through the whole pattern and the size chart on page 4 before you start, and crochet a 10 x 10 cm gauge swatch in double crochet to check your tension.

ABOUT THE WOODLAND FLUFFY SKIRT

PART OF THE COLLECTION

The Woodland Fluffy Skirt is the crocheted piece in LME Woodland Dreams, made to fit perfectly together with the knitted Basisbody. The skirt is not a copy of any existing design, it's drafted and graded from scratch, inspired by a light, fluffy ruffle skirt.

STYLE

Scandinavian, timeless and exclusive, with a light and airy feel. Soft ruffles, an elegant fall, and a calm, minimalist shape, with no heavy or dense stitches weighing the skirt down.

FIT

An elastic waistband makes the skirt comfortable and easy to put on, while the light A-line shape gives freedom of movement. The ruffle is crocheted airily with multiplied stitches, not dense and heavy, so the fall stays light even in the largest sizes.

MATERIALS

YARN

Sandnes Garn Alpakka (100% alpaca), or an equivalent yarn with the same gauge. The skirt can be crocheted in one of the collection's calm natural colours (cream, linen, sand, oatmeal, beige) for a quiet look, or in one of the accessory colours (sage green, dusty rose, butter yellow, soft blue, olive, terracotta) for a more colourful look together with the Basisbody.

EQUIPMENT

4 mm crochet hook. Soft, flat elastic 1-1.5 cm wide, cut to waist measurement minus 2 cm (see the size chart). A ³tapestry needle and a safety pin or a small crochet hook to thread the elastic through the waistband channel.

SIZE CHART

Finished measurements. Choose size by waist measurement, or test the waistband around the child's waist before crocheting on.

Size	Waist (child's)	Skirt length	Elastic length
Prematur	32 cm	13 cm	30 cm
Nyfødt	34 cm	14 cm	32 cm
0-3 mnd	36 cm	15 cm	34 cm
3-6 mnd	38 cm	16 cm	36 cm
6-9 mnd	40 cm	17 cm	38 cm
9-12 mnd	42 cm	18 cm	40 cm
1-2 år	46 cm	20 cm	44 cm
2-3 år	49 cm	22 cm	47 cm
3-4 år	52 cm	24 cm	50 cm
4-5 år	54 cm	26 cm	52 cm
5-6 år	56 cm	28 cm	54 cm
6-8 år	58 cm	30 cm	56 cm
8-10 år	61 cm	32 cm	59 cm
10-12 år	64 cm	34 cm	62 cm
12-14 år	67 cm	36 cm	65 cm
14-16 år	70 cm	38 cm	68 cm

Waist measurement is the child's actual measurement. The waistband itself is crocheted a little smaller than this (see part 1), since the elastic stretches it out to a good, snug fit.

GAUGE AND DIFFICULTY LEVEL

GAUGE

20 double crochets and 30 rounds = 10 x 15 cm, on a 4 mm hook. This gauge is used in every calculation in the pattern. Always crochet a swatch first: chain a foundation row, work double crochet for approx. 12 cm wide and 15 cm tall, block lightly. If your gauge does not match, change to a smaller or larger hook until it does.

DIFFICULTY LEVEL

Medium. You should be comfortable crocheting in the round, increasing evenly spaced, and working double crochets and multiplied stitches. No complicated stitch repeats, the whole skirt is worked in plain rounds of double crochet.

ABBREVIATIONS

Norwegian crochet terms with US crochet terms alongside.

Norwegian	US	Meaning
lm	ch	luftmaske
fm	sc	fastmaske
stav	dc	stav (double crochet)
halvstav	hdc	halv stav (half double crochet)
m	st(s)	maske(r)
omg	rnd	omgang
øk	inc	øk (hekle 2 m i samme maske)
felle	dec	felle (hekle 2 m sammen til 1)
kjedemaske	sl st	kjedemaske / slip stitch
picot	picot	3 lm, kjedemaske i 1. lm, en liten "tagg"
magisk ring	magic ring	justerbar starttring

TIPS

- Place a stitch marker at the start of every round, it is easy to lose count in a long piece worked in the round.
- Always crochet a swatch, even in double crochet, alpaca behaves a little differently from cotton or wool.
- Count your stitches at every checkpoint in the tables, it is easier to fix 4 rounds back than 40.

HOW THE SKIRT IS CONSTRUCTED

The skirt is crocheted top-down, in one piece, in three simple parts:

1. The waistband

A firm, narrow sc channel for the elastic, crocheted a little smaller than the waist measurement.

2. The A-line body

Double crochets in plain rounds, with spread-out increase rounds that give the skirt its light A-line shape.

3. The ruffle and the edge

The stitches are multiplied for an airy, fluffy fall, finished with a small picot edge.

PART 1: THE WAISTBAND

The skirt starts at the top, at the waistband. Crochet a foundation chain and join it into a ring with a slip stitch, or start with a magic ring, whichever you prefer.

Work 4 rounds of single crochet around, with no increasing. This gives a firm, tight channel that the elastic will later be threaded through.

Size	Foundation (sc around)	Rounds in waistband	Elastic length
Prematur	56	4	30 cm
Nyfødt	60	4	32 cm
0-3 mnd	64	4	34 cm
3-6 mnd	68	4	36 cm
6-9 mnd	72	4	38 cm
9-12 mnd	76	4	40 cm
1-2 år	84	4	44 cm
2-3 år	88	4	47 cm
3-4 år	96	4	50 cm
4-5 år	100	4	52 cm
5-6 år	104	4	54 cm
6-8 år	108	4	56 cm
8-10 år	112	4	59 cm
10-12 år	116	4	62 cm
12-14 år	120	4	65 cm
14-16 år	128	4	68 cm

Check: lay the waistband flat, count the stitches around. They should match the number in the "Foundation" column for your size, before you move on to part 2.

PART 2: THE A-LINE BODY

Switch to double crochet. Now the body of the skirt is worked, with evenly spread increase rounds that give it the light A-line shape. The construction is the same for every size, only the numbers change, see the grading table below.

Example with numbers for preemie: Spread 7 increase rounds evenly across the 12 rounds in this part (roughly every 2 rounds, adjust slightly so the last increase round falls near the end of the section). On an increase round: work 2 double crochets in every fourth stitch around (4 increase points evenly spaced), plain double crochet in the remaining stitches. Outside the increase rounds, crochet plain, with no increasing.

Size	Start (from waistband)	Increase rounds	Rounds in this part	End (to ruffle)
Prematur	56	7	12	84
Nyfødt	60	8	13	92
0-3 mnd	64	8	14	96
3-6 mnd	68	9	15	104
6-9 mnd	72	10	16	112
9-12 mnd	76	10	18	116
1-2 år	84	11	20	128
2-3 år	88	12	22	136
3-4 år	96	13	24	148
4-5 år	100	13	26	152
5-6 år	104	14	29	160
6-8 år	108	14	31	164
8-10 år	112	15	33	172
10-12 år	116	16	35	180
12-14 år	120	16	37	184
14-16 år	128	17	40	196

Check: count your stitches. They should match the number in the "End" column for your size, before you move on to part 3.

PART 3: THE RUFFLE

This is where the fluffy magic happens: the stitches are heavily multiplied over one round, so the ruffle gets an airy, wavy fall without becoming heavy. Then continue straight down in double crochet on the new, large stitch count.

Example with numbers for preemie: Multiplying round: work approximately 2.6 double crochets in each stitch around (adjust by 1 up or down per stitch so the final count matches the table exactly), until you have 216 stitches. Then work 9 plain rounds of double crochet, with no increasing, on the large stitch count, before the finishing edge on the next page.

Size	Start (from body)	After multiplying	Rounds of airy fall
Prematur	84	216	9
Nyfødt	92	236	10
0-3 mnd	96	248	11
3-6 mnd	104	268	12
6-9 mnd	112	288	13
9-12 mnd	116	300	13
1-2 år	128	332	15
2-3 år	136	352	17
3-4 år	148	384	19
4-5 år	152	392	21
5-6 år	160	416	22
6-8 år	164	424	24
8-10 år	172	444	26
10-12 år	180	468	28
12-14 år	184	476	30
14-16 år	196	508	31

THE FINISHING EDGE

A small decorative edge finishes the ruffle and keeps the edge from curling.

Work 1 round of single crochet around, evenly spaced (no increasing or decreasing this round). Then work the picot edge: *1 sc in each of the next 2 stitches, picot (ch 3, slip stitch in the first of the 3 chains)*, repeat from * to * around. Fasten off and weave in the end.

FINISHING

- 1 Cut the elastic to the length given for your size in the size chart (waist measurement minus 2 cm).
- 2 Attach a safety pin or a small crochet hook to one end of the elastic, and thread it through the waistband channel all the way around.
- 3 Overlap the two ends of the elastic by 1-2 cm, and sew them securely together with a tapestry needle and thread, back and forth several times.
- 4 Let the waistband slide back so the elastic join is hidden inside the channel.
- 5 Weave in all loose ends securely on the wrong side, and trim them short.
- 6 Lightly steam-block the skirt, avoid pressing directly on the ruffle, it should keep its airiness.

SAFETY AND CARE

SAFETY

- Use soft, flat elastic with no sharp edges, and check the join regularly, especially after washing.
- This pattern is not intended for children who put small objects in their mouth unsupervised.
- All measurements and stitch counts are calculated for a roomy, comfortable fit, always follow current safety recommendations for children's clothing.

CARE INSTRUCTIONS

Hand wash gently in lukewarm water with wool wash, or machine wash on a wool cycle at 30 degrees. Press out the water, gently ease the ruffle into shape, and dry lying flat on a towel.
