

LME CROCHET PATTERN

🇳🇴 NORGE BUCKET HAT 🇳🇴

CROCHETED, WITH A WAVY BRIM

A red bucket hat crocheted in cotton, with "NORGE" in white block letters around it, flag stripes and a wavy brim. The letters are crocheted straight in with tapestry crochet. Fits an adult (head circumference 54 to 57 cm). A fine cheering hat for the 17th of May and the football World Cup.

TIP: Read the whole pattern through once first. The gauge decides the size, so crochet a little gauge swatch.

- Stitch markers
- Tapestry needle
- Scissors

GAUGE AND GLOSSARY

GAUGE, THE IMPORTANT KEY

14 sc x 16 rounds = 10 x 10 cm (crocheted in a spiral in single crochet on a 5 mm hook).

Crochet a little gauge swatch and measure. If the swatch is too big, switch to a thinner hook. Too small, switch to a thicker hook. The right gauge gives the right size.

ABBREVIATIONS

Short	Means
ch	chain
sc	single crochet
sl st	slip stitch
inc	increase (2 sc in the same stitch)
st	stitch(es)
()	total number of stitches in the round

The whole hat is crocheted in a spiral in single crochet, without closing off the rounds.

PART 1: THE TOP

The top is crocheted in a spiral (round) in single crochet, from a magic ring and outwards. Put a stitch marker in the first stitch, and move it up each round.

Rnd	Description	Sts
1	6 sc in magic ring	6
2	inc x 6	12
3	(1 sc, inc) x 6	18
4	(2 sc, inc) x 6	24
5	(3 sc, inc) x 6	30
6	(4 sc, inc) x 6	36
7	(5 sc, inc) x 6	42
8	(6 sc, inc) x 6	48
9	(7 sc, inc) x 6	54
10	(8 sc, inc) x 6	60
11	(9 sc, inc) x 6	66
12	(10 sc, inc) x 6	72
13	(11 sc, inc) x 6	78

The top is done. Diameter approx. 16 cm. You now have 78 stitches.

PART 2: THE SIDES WITH NORGE

Now you crochet straight up in a spiral, without increases. You have 78 stitches on each round.

Rnd	Description	Sts
14 to 18	78 sc in red	78
19 to 28	Crochet in NORGE with white (see page 6)	78
29 to 31	78 sc in red	78

IMPORTANT: TAPESTRY CROCHET

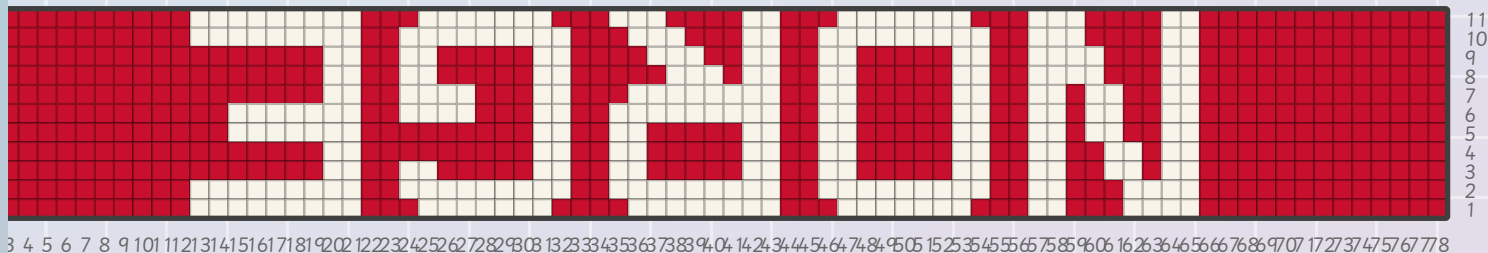

"NORGE" is crocheted straight into the sides with tapestry crochet (worked-in stitches), not embroidered on afterwards.

- Lay the white yarn on top of the round and crochet the red stitches around it, so it stays hidden inside.
- Where a letter should be, pick up the white yarn and crochet with white instead.
- Change colour on the **last step** of the stitch before: pull the new colour through the last two loops. That keeps the change clean.
- Keep the yarn that lies inside loose, so the hat does not pull tight.

CHART: NORGE

Each square = 1 stitch x 1 round. White square: crochet with white. Red square: crochet with red. **The chart is rotated 180° (upside down)**, because the hat is crocheted from the top down. Start crocheting from the **bottom row (row 1)**, which is the top of the letters. Then NORGE comes out the right way up on the finished hat.

NORGE, ROTATED 180°

PLACEMENT AROUND (78 STITCHES)

78 stitches in total around

- Start at the stitch marker (centre back). First crochet 12 red stitches.
- Then crochet the letters with 2 red stitches between each, and finish with 13 red stitches.
- The bottom row of the letters is round 19. Continue upwards to round 28.

PART 3: THE BRIM (INCREASES)

Now the brim curves outwards. You increase evenly on every other round.

Rnd	Description	Sts
32	78 sc in red	78
33	inc x 12 evenly spaced	90
34	90 sc in red	90
35	inc x 12 evenly spaced	102
36	102 sc in red	102
37	inc x 12 evenly spaced	114
38	114 sc in red	114

"Evenly spaced" means you divide the increases equally around. Round 33: increase roughly every 6th stitch. It does not have to be exact.

PART 4: FLAG STRIPES

Change colour on each round. Crochet 1 whole round in each colour.

Rnd	Description	Sts
39	White	114
40	Navy blue	114
41	White	114
42	Red	114

PART 5: WAVY EDGE

Right at the outer edge you make the wavy edge.

Rnd	Description	Sts
43	inc x 18 evenly spaced	132
44	132 sc	132
45	Finish with slip stitches (or crab stitch, optional)	132

Want extra clear waves? Finish like this around: 3 sc in the same stitch, 1 sc, skip 2 stitches, and repeat. That makes the edge ripple nicely.

FINISHING AND CARE

HOW IT LOOKS ALONG THE WAY

- 1. **The top:** a flat, round disc (approx. 16 cm).
- 2. **The sides:** straight up, with NORGE crocheted in.
- 3. **The brim:** begins to curve outwards.
- 4. **Flag stripes:** white, blue, white, red.
- 5. **Wavy edge:** at the very edge, like little ripples.

WASHING AND CARE

- Hand wash or wool cycle at 30 degrees.
- Use a wash bag if you like.
- Dry flat. Shape the wavy brim while it is wet.
- Do not wring.

Congratulations! Now you have crocheted your very own NORGE hat. Go Norway!
