

STRAWBERRY DREAM JUMPER

JUMPER · SIZES 44 TO 92

A top-down jumper with a round yoke and long sleeves, with no neck opening. The leaf panel sits around the yoke, the seeds are knitted into the pink all the way down, and body and sleeves end in a scalloped hem with a narrow green edge. Graded in nine sizes, from small newborn to two years.

lmexplorers.com

Read the whole pattern before you start, and knit a gauge swatch. Mark your own size in the tables so you do not have to search as you go. Test knit version 1.0

BEFORE YOU START

The jumper is knitted top-down with a round yoke and long sleeves, with no neck opening. The neck is calculated from the head circumference, so it passes over the head and sits neatly afterwards. The yoke is worked in the round, divided for body and sleeves, and body and sleeves are then worked separately down to the scalloped hem.

WHAT YOU WILL LEARN

- knitting a jumper with a round yoke
- increasing in eight sections so the leaf repeat comes out even
- dividing for body and sleeves, and working sleeves in the round
- working a scalloped hem with a green edge on body and sleeves

DIFFICULTY

Easy to slightly experienced. The sleeves are the only part with few stitches on the needle, and there Magic Loop or double-pointed needles help. If you want a matching skirt, Strawberry Dream skirt is available as a pattern of its own.

SIZES

The pattern is graded in nine sizes, from 44 to 92, that is from small newborn to two years. Choose by the child's chest measurement, not by age. The ages are only a guide, and a baby born early follows its own curve. Between two sizes, take the larger one, since a garment that is slightly big lasts longer.

THE CHILD'S MEASUREMENTS

Size	Suits	Child chest	Ease
44	small newborn / preemie	32 cm	6,1 cm
50	newborn, 0-1 mo	35 cm	6,9 cm
56	1-2 mo	38 cm	5,8 cm
62	2-4 mo	41 cm	6,6 cm
68	4-6 mo	43 cm	6,5 cm
74	6-9 mo	45 cm	6,4 cm
80	9-12 mo	47 cm	6,3 cm
86	12-18 mo	49 cm	6,2 cm
92	18-24 mo, 2 years	51 cm	6,1 cm

HOW TO READ THE TABLES

Every number in the pattern is given in its own column per size. Find your column once, mark it with a pen, and read only that one from there on.

FINISHED MEASUREMENTS

Size	Chest	Jumper length	Sleeve length	Neck
44	40,0 cm	23 cm	14 cm	26,7 cm
50	43,8 cm	25 cm	16 cm	30,5 cm
56	45,7 cm	27 cm	18 cm	30,5 cm
62	49,5 cm	29 cm	20 cm	34,3 cm
68	51,4 cm	31 cm	21 cm	34,3 cm
74	53,3 cm	32 cm	22 cm	38,1 cm
80	55,2 cm	34 cm	23 cm	38,1 cm
86	57,1 cm	35 cm	24 cm	38,1 cm
92	59,0 cm	36 cm	25 cm	41,9 cm

The measurements below are the garment as it should be after washing and drying flat. If you get different measurements, it is usually the gauge and not the pattern.

YARN, TOOLS AND GAUGE

YARN AND NEEDLES

DROPS Merino Extra Fine, 50 g = approx. 105 m, in strawberry pink, leaf green and a small amount of cream white. The amounts below include a good margin, and are given per size.

Tools	For what
4 mm needles	circular, for the neck and the body
4 mm needles	double-pointed or Magic Loop for the sleeves
Darning needle	for weaving in ends
Stitch marker	to mark the beginning of the round and each sleeve side

YARN AMOUNT

Size	Pink	Green	Cream
44	345 g	45 g	5 g
50	420 g	50 g	5 g
56	485 g	50 g	5 g
62	580 g	55 g	5 g
68	645 g	55 g	5 g
74	710 g	60 g	5 g
80	780 g	60 g	5 g
86	850 g	65 g	5 g
92	925 g	65 g	5 g

GAUGE

21 stitches and 28 rounds in stocking stitch = 10 x 10 cm on 4 mm needles. Knit your swatch in the round, not flat, and measure it after washing and drying flat. More than 21 stitches means one needle size up, fewer means one down. The gauge decides every measurement here.

LEAF AND SEED CHARTS

The rounds are worked in the order they are numbered, round 1 first, and each round is read from right to left, the same way you knit. The leaf repeat is 8 stitches and is repeated all the way round the yoke. The number of repeats for your size is given further on.

LEAF, 8 STITCHES x 10 ROUNDS

● leaf green ● strawberry pink ○ cream white, one seed

SEED, 8 STITCHES

A

B

The seeds are single cream white stitches, and they are knitted in over ALL the pink, over the bodice and all the way down the skirt. The rhythm is the same everywhere: seed round A, 4 rounds in pink, seed round B, 4 rounds in pink, and so on. The two rounds offset the seeds against each other, so they lie scattered rather than in vertical columns.

The float behind the work is never longer than 3 stitches in either chart. That is deliberate: long loose strands on the inside are both uncomfortable against the skin and something small fingers can catch in. Keep the carried yarn loose enough that the work does not pucker.

JUMPER · 1 · NECK AND YOKE

Cast on in green on 4 mm needles with a stretchy cast-on, join in the round and work 5 rounds of twisted rib. The jumper has no neck opening, so the neck has to pass over the head, and there the cast-on edge decides. Cast on loosely, for instance over two needles held together. Then divide the stitches into 8 equal sections, place a marker between each, and increase 1 stitch in each section every other round, that is 8 stitches per increase round, until you have the stitch count in your column. Work the even rounds in the last column, then the leaf repeat from page 6 over 8 stitches. Finish with 1 round in pink.

Size	Cast on	Per section	Inc. rnds	Even rnds	Yoke	Leaf rep.
44	56 sts	7	7	3	112 sts	14 x
50	64 sts	8	8	5	128 sts	16 x
56	64 sts	8	9	5	136 sts	17 x
62	72 sts	9	10	5	152 sts	19 x
68	72 sts	9	11	5	160 sts	20 x
74	80 sts	10	11	6	168 sts	21 x
80	80 sts	10	12	6	176 sts	22 x
86	80 sts	10	13	5	184 sts	23 x
92	88 sts	11	13	6	192 sts	24 x

The neck is calculated from the head, not guessed: it sits at 80 to 87 % of the head circumference in every size. The rib stretches the rest as the jumper goes on, and draws back in afterwards. If it still feels tight, it is almost always the cast-on edge that is too firm, not the stitch count.

JUMPER · 2 · DIVIDE FOR BODY AND SLEEVES

Read the row for your size from left to right, in the order you knit: the front, the stitches you place on hold for the first sleeve, the stitches you cast on under the arm, the back, then the same sleeve on the other side. The jumper casts on 4 stitches under each arm, two more than the dress and the romper, because a sleeve needs a little extra width at the underarm.

Size	Front	Hold for sleeve	Cast on	Back	Body
44	38	18	4	38	84 sts
50	42	22	4	42	92 sts
56	44	24	4	44	96 sts
62	48	28	4	48	104 sts
68	50	30	4	50	108 sts
74	52	32	4	52	112 sts
80	54	34	4	54	116 sts
86	56	36	4	56	120 sts
92	58	38	4	58	124 sts

JUMPER · 3 · THE BODY

Work in pink stocking stitch in the round with seeds. The seeds are knitted in all the way down, not just here. The rhythm is the same everywhere: seed round A, 4 rounds in pink, seed round B, 4 rounds in pink, and so on. Start as soon as the pink starts, right after the leaf panel. Work until the body measures the length in your column, measured straight down from the underarm. Then work the scalloped hem, which is on the next page.

Size	Body stitches	Chest	Length from underarm	Rounds of rib
44	84 sts	40,0 cm	11 cm	6
50	92 sts	43,8 cm	12 cm	6
56	96 sts	45,7 cm	13 cm	6
62	104 sts	49,5 cm	14 cm	6
68	108 sts	51,4 cm	15 cm	6
74	112 sts	53,3 cm	16 cm	6
80	116 sts	55,2 cm	17 cm	6
86	120 sts	57,1 cm	18 cm	6
92	124 sts	59,0 cm	19 cm	6

The body ends with the scalloped hem on the next page. Never cast off in a scallop round, always in the green edge after it, and cast off very loosely. A tight cast-off pulls the scallops together, and then the edge comes out straight.

JUMPER · 4 · THE SLEEVES

Place the held sleeve stitches on the needle and pick up the stitches under the arm. Place a marker at the centre of the underarm. Work in pink stocking stitch in the round, with a few seeds spaced well apart. Decrease 1 stitch at each side of the marker, that is 2 stitches per decrease round, spread evenly over the length of the sleeve. The number of decrease rounds is given in your column.

Size	Held stitches	Pick up	Upper arm	Decrease rounds	Cuff	Sleeve length
44	18	4	22 sts	3	16 sts	14 cm
50	22	4	26 sts	4	18 sts	16 cm
56	24	4	28 sts	4	20 sts	18 cm
62	28	4	32 sts	5	22 sts	20 cm
68	30	4	34 sts	5	24 sts	21 cm
74	32	4	36 sts	5	26 sts	22 cm
80	34	4	38 sts	5	28 sts	23 cm
86	36	4	40 sts	5	30 sts	24 cm
92	38	4	42 sts	5	32 sts	25 cm

THE CUFF

When the sleeve is long enough that only the depth of the wave edge is missing, work the scalloped hem from the next page, exactly as on the body. The depth is in the table there. Work the second sleeve the same, and count the rounds rather than measuring, so the two come out the same length.

JUMPER · 5 · PREPARING THE SCALLOPED HEM

The body and the sleeves both end with the same scalloped hem. Change to green and work 1 round in knit, increasing evenly to the stitch count in your column as you go. It is only a few stitches, and they are there so the scallops come out even all the way round. Work 1 more round in knit, then go on to the next page.

Size	Body stitches	Body, increase to	Scallops	Sleeve stitches	Sleeve, increase to	Scallops
44	84 sts	84 sts	14 x	16 sts	18 sts	3 x
50	92 sts	96 sts	16 x	18 sts	18 sts	3 x
56	96 sts	96 sts	16 x	20 sts	24 sts	4 x
62	104 sts	108 sts	18 x	22 sts	24 sts	4 x
68	108 sts	108 sts	18 x	24 sts	24 sts	4 x
74	112 sts	114 sts	19 x	26 sts	30 sts	5 x
80	116 sts	120 sts	20 x	28 sts	30 sts	5 x
86	120 sts	120 sts	20 x	30 sts	30 sts	5 x
92	124 sts	126 sts	21 x	32 sts	36 sts	6 x

Spread the increases evenly round, not gathered in one place. Gathered, the jumper gets a pouch right there, and it shows when the garment hangs.

JUMPER · 6 · THE WAVE

The scallop is 6 stitches and is repeated round. Work these three rounds:

- Round 1, the scallop round, in PINK: *ssk, M1R, k2, M1L, k2tog*, repeated round. The stitch count stays the same, but the edge shapes itself into rounded scallops.
- Round 2: knit.
- Round 3: knit.

Repeat the three rounds as many times as your column says. Then change to green, work 3 rounds in knit, and cast off very loosely. The green edge sits as a narrow line along the curve of the scallops, down into the valleys too.

Size	Scallop rounds	Rounds in all	Depth of the edge
44	2 x	8 x	2,9 cm
50	2 x	8 x	2,9 cm
56	2 x	8 x	2,9 cm
62	3 x	11 x	3,9 cm
68	3 x	11 x	3,9 cm
74	3 x	11 x	3,9 cm
80	3 x	11 x	3,9 cm
86	4 x	14 x	5,0 cm
92	4 x	14 x	5,0 cm

The decreases sit in the valley between the scallops and the increases at the centre of each. That is what shapes the edge. The increases are closed, not yarn overs: the design images show a solid edge with no holes.

FOR YOU, THE TEST KNITTER

This edition of the the jumper is a test knit version. Every stitch count has been calculated from the babies' measurements and the gauge, and checked against the others, but nobody has knitted from the pattern yet. You are the first. That means you may run into things I have not seen, and that is exactly why I need you.

WHAT I NEED FROM YOU

- Which size you knitted, and which yarn and needles you used.
- Your own gauge, measured on a washed swatch dried flat.
- The finished measurements of the garment after washing, in the form below.
- Anything unclear: a sentence you had to read three times, a stitch count that did not add up, a place where you had to guess.
- A photo of the finished garment, on the baby if you like.
- Tell me if the pattern reminds you of one you have seen before. Strawberry Dream is drawn for LME, and I want to know straight away if something still sits too close to something else.

MEASUREMENT FORM, FILL IN AFTER WASHING

Size knitted

HOW TO SEND IT IN

Send the form, your comments and any photos to <https://lmexplorers.com/teststrikk>. The deadline is given in the email the pattern came in.

Nothing is too small to mention. Whatever tripped you up will trip up the next knitter too, and it is far easier to fix now than later.

FINISHING AND AFTERCARE

CHECKLIST

- Weave in all ends flat and firmly on the wrong side. Do not cut them flush.
- Soak the work in lukewarm water with wool detergent. Do not rub or wring.
- Press the water out in a towel and dry the garment flat to the given measurements.
- Check all buttons, ties, edges and loose ends before the garment is worn.
- Check that the neck passes easily over the head before the jumper is worn.
- Measure the garment after washing and write the numbers in the form on the previous page.

SAFETY

Buttons and ties on children's garments must always be checked before use, and the garment worn only under supervision. Sew buttons on with strong thread and go over them again after every wash. In the smallest sizes the garment sits right against the skin, so feel that no seam or knot presses hard.

Happy knitting!

STRAWBERRY DREAM

THE WHOLE COLLECTION

- Strawberry Dream dress, sleeveless, with a leaf yoke and flared skirt.
- Strawberry Dream romper with skirt, nappy panel and buttons at the crotch.
- Strawberry Dream jumper, with a round yoke and long sleeves.
- Strawberry Dream skirt, with a green rib at the waist and a scalloped hem.
- Strawberry Dream mittens, thumbless, with a cord, sizes 44 to 74.
- Strawberry Dream booties, with ties at the ankle, sizes 44 to 92.
- Strawberry Dream hat, with a calyx and ear flaps, sizes 44 to 92.
- Strawberry Dream socks, with a heel flap and wedge toe, sizes 44 to 92.
