BEFORE YOU START

The hat is worked in the round from the bottom up. You start with a deep rib that folds double, so it sits warmly over the ears. It then continues in pink stocking stitch with a few seeds, and at the top comes a ring of small strawberry tops in green. The crown is decreased in eight sections and finished with a short i-cord that becomes the stalk.

WHAT YOU WILL LEARN

- working in the round with a folded double rib
- scattering single stitches in another colour without long floats
- working a ring of small strawberry tops in two colours
- decreasing a round crown in eight sections
- knitting i-cord for both the stalk and the ties

DIFFICULTY

Easy. The hat is the quickest piece in the collection and a good place to start. It uses the same charts as the other pieces, but over so few stitches that a mistake is put right in minutes.

SIZES AND FINISHED MEASUREMENTS

The hat is graded in five sizes, not nine like the garments. The seed chart is 8 stitches, that is 3.8 cm round, while a child head grows 1 to 3 cm between two neighbouring sizes. Nine hats would therefore have been the same five numbers under nine names. Measure the head where the hat will sit, round the forehead and over the ears, and choose by that measurement. Each garment size has exactly one hat.

WHICH SIZE TO CHOOSE

Size	Fits garment size	Head circumference
Small	44	32.0 cm
Medium	50-56	35.0 to 38.0 cm
Large	62-68	41.0 to 43.0 cm
Extra large	74-80	45.0 to 46.0 cm
XXL	86-92	47.0 to 48.0 cm

FINISHED MEASUREMENTS

Size	Stitches round	Circumference	Height	Points round
Small	56 sts	26,7 cm	11,7 cm	14 x
Medium	64 sts	30,5 cm	13,4 cm	16 x
Large	72 sts	34,3 cm	15,1 cm	18 x
Extra large	80 sts	38,1 cm	16,8 cm	20 x
XXL	88 sts	41,9 cm	18,0 cm	22 x

The circumference is deliberately smaller than the head. The rib stretches as the hat goes on and draws back in afterwards, and that is what holds it in place. A hat that measures the same as the head slides off.

YARN, TOOLS AND GAUGE

YARN AND NEEDLES

DROPS Merino Extra Fine, 50 g = approx. 105 m, in strawberry pink, leaf green and a small amount of cream white. The amounts below include a good margin, and are given per size.

Tools	For what
4 mm needles	short circular, double-pointed or Magic Loop
Darning needle	for weaving in ends and sewing on the ties
Stitch markers	eight, to mark the sections in the crown

YARN AMOUNT

Size	Pink	Green	Cream
Small	20 g	10 g	5 g
Medium	25 g	15 g	5 g
Large	30 g	20 g	5 g
Extra large	35 g	25 g	5 g
XXL	40 g	30 g	5 g

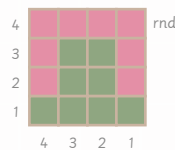

GAUGE

21 stitches and 28 rounds in stocking stitch = 10 x 10 cm on 4 mm needles. Knit your swatch in the round, not flat, and measure it after washing and drying flat. More than 21 stitches means one needle size up, fewer means one down. The gauge decides every measurement here.

STRAWBERRY TOP AND SEEDS

Both charts are read from the bottom up, and each round from right to left, the same way you knit. The strawberry top is 4 stitches and is repeated round. It is deliberately smaller than the leaf on the larger garments: on a mitten or a bootie the large leaf would cover almost the whole surface.

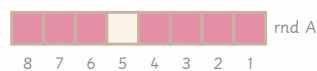

STRAWBERRY TOP, 4 STITCHES x 4 ROUNDS

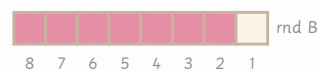

● leaf green ● strawberry pink ● cream white, one seed

SEED, 8 STITCHES

A

B

The seeds are single cream white stitches scattered over the pink. Work round A, then 2-3 rounds in pink, then round B.

Repeat as densely or as sparsely as you like.

The float behind the work is never longer than 3 stitches in either chart. That is deliberate: long loose strands on the inside are both uncomfortable against the skin and something small fingers can catch in. Keep the carried yarn loose enough that the work does not pucker.

1 • THE RIB

Cast on in pink, join in the round without twisting the cast-on, and place a marker at the beginning of the round. Work twisted rib, that is *k1 through the back loop, p1*, until the rib measures the height in your column. Twisted rib is firmer than plain rib and holds the hat better in place.

Size	Cast on	Rib	Folded brim becomes
Small	56 sts	4 cm	2,0 cm
Medium	64 sts	5 cm	2,5 cm
Large	72 sts	5 cm	2,5 cm
Extra large	80 sts	6 cm	3,0 cm
XXL	88 sts	6 cm	3,0 cm

HOW IT FOLDS

The rib folds up double when the hat is finished, which is why it is this deep. The folded edge is the one that sits against the forehead, and it ends up half the height you knitted. Do not sew it down: a loose fold can be let out as the child grows, and gives the hat a few extra weeks of wear.

2 · THE PINK SECTION AND SEEDS

Continue in pink stocking stitch in the round, that is knit on every round. On a seed round work seed round A from page 5, that is *3 pink, 1 cream, 4 pink*, repeated round. Work 3 rounds in pink. Then work seed round B, that is *7 pink, 1 cream*, repeated round. The two rounds offset the seeds against each other, so they look scattered rather than lined up.

Size	Stitches	Pink section	Seed repeats round
Small	56 sts	4,0 cm	7 x
Medium	64 sts	4,5 cm	8 x
Large	72 sts	5,5 cm	9 x
Extra large	80 sts	6,0 cm	10 x
XXL	88 sts	6,5 cm	11 x

Measure the pink section from the fold line, not from the cast-on. The folded edge is the lower edge of the hat as it is worn.

3 • THE RING OF STRAWBERRY TOPS

Work the strawberry top from page 5 over 4 stitches and repeat it round as many times as your column says. The top is only 4 rounds deep, so the ring forms a narrow row of small green points pointing down into the pink. After the last chart round, continue in green alone.

Size	Stitches	Points round	Height of the ring
Small	56 sts	14 x	1,4 cm
Medium	64 sts	16 x	1,4 cm
Large	72 sts	18 x	1,4 cm
Extra large	80 sts	20 x	1,4 cm
XXL	88 sts	22 x	1,4 cm

Keep the green yarn loose behind the work. Pulled tight, the ring draws in, and the hat becomes narrower exactly where it should be widest.

4 • SHAPING THE CROWN

Divide the round into 8 equal sections and place a marker at each. The stitch count in every size is divisible by 8, so the sections come out even without adjustment. Then work as follows: a decrease round where you knit 2 together just before each marker, that is 8 stitches decreased, then 1 round in knit. Repeat until 8 stitches remain. The number of decrease rounds is in your column.

Size	Start	Decrease rounds	Left after decreasing	Height of the crown
Small	56 sts	6 x	8 sts	4,3 cm
Medium	64 sts	7 x	8 sts	5,0 cm
Large	72 sts	8 x	8 sts	5,7 cm
Extra large	80 sts	9 x	8 sts	6,4 cm
XXL	88 sts	10 x	8 sts	7,1 cm

Always decrease in the same place relative to the marker. The decreases then form eight clear lines up towards the top, and it is that line that makes a round hat look round rather than lopsided.

5 • THE STALK AND THE TIES

THE STALK

You have 8 stitches left in green. Decrease to 3 stitches on the next round and work an i-cord on these until the stalk measures the length in your column. Cut the yarn, draw it through the 3 stitches and fasten it down through the stalk, so that it stands upright.

THE TIES

Cast on 3 stitches in pink and work an i-cord until the tie measures the length in your column. Cast off. Work a second tie. Sew one tie firmly to the inside of the rib at each ear, with several small stitches. The ties are tied in a bow under the chin, never in a knot.

Size	Stalk	Ties, each
Small	4 cm	22 cm
Medium	4 cm	25 cm
Large	5 cm	28 cm
Extra large	5 cm	30 cm
XXL	6 cm	32 cm

If you would rather have the hat without ties, leave them out. The hat stays on by the rib alone, and the ties are there for the smallest, who cannot yet pull the hat off themselves.

FOR YOU, THE TEST KNITTER

This edition of the the hat is a test knit version. Every stitch count has been calculated from the babies' measurements and the gauge, and checked against the others, but nobody has knitted from the pattern yet. You are the first. That means you may run into things I have not seen, and that is exactly why I need you.

WHAT I NEED FROM YOU

- Which size you knitted, and which yarn and needles you used.
- Your own gauge, measured on a washed swatch dried flat.
- The finished measurements of the garment after washing, in the form below.
- Anything unclear: a sentence you had to read three times, a stitch count that did not add up, a place where you had to guess.
- A photo of the finished garment, on the baby if you like.
- Tell me if the pattern reminds you of one you have seen before. Strawberry Dream is drawn for LME, and I want to know straight away if something still sits too close to something else.

HOW TO SEND IT IN

Send the form, your comments and any photos to <https://lmexplorers.com/teststrikk>. The deadline is given in the email the pattern came in.

Nothing is too small to mention. Whatever tripped you up will trip up the next knitter too, and it is far easier to fix now than later.

FINISHING AND AFTERCARE

CHECKLIST

- Weave in all ends flat and firmly on the wrong side. Do not cut them flush.
- Soak the work in lukewarm water with wool detergent. Do not rub or wring.
- Press the water out in a towel and dry the garment flat to the given measurements.
- Check all buttons, ties, edges and loose ends before the garment is worn.
- Ties must always be tied in a bow that comes undone if the child pulls at it, and the hat should be taken off when the child sleeps.
- Measure the garment after washing and write the numbers in the form on the previous page.

SAFETY

Buttons and ties on children's garments must always be checked before use, and the garment worn only under supervision. Sew buttons on with strong thread and go over them again after every wash. In the smallest sizes the garment sits right against the skin, so feel that no seam or knot presses hard.

Happy knitting!
