

LME KNITTING PATTERN

RO KERCHIEF FOR BABY AND CHILD

WHITE WITH BLUE RO, FLAG AND WAVES · SIZE 50-170

The same RO kerchief as the pattern for adults: a white triangular kerchief with the Norwegian flag and "RO" in blue, and two blue waves further down towards the point, with a solid blue wavy edge all the way round and two knitted ties to fasten behind the neck. Graded completely from scratch into twenty-one baby, child and teen sizes, 50 to 170. This pattern is complete on its own, you do not need any other LME pattern to knit it.

TIPS: Read the whole pattern once before you cast on. Always knit a gauge swatch first, see page 4.

BEFORE YOU START

The kerchief is knitted back and forth, not in the round. You cast on just a few stitches at the point, which sits at the back of the neck, and increase evenly on both sides until you reach the wide front edge, the one that lies over the forehead. At the end you pick up stitches all round the edge and knit a wavy border, and knit two ties that fasten behind the neck.

WHAT YOU LEARN

- To knit a triangle back and forth, with even increases at the sides
- To place and knit RO, the flag and the waves from charts
- To pick up stitches around an edge and knit it wavy at the end
- To knit a simple I-cord tie

HOW HARD IS IT?

For the youngest sizes (50-62) you can skip the motif and knit the whole triangle in one colour, it looks just as nice.

SIZES AND GETTING THE FIT RIGHT

The clothing size is only a guide. The kerchief is graded by age/height, not fitted tightly to head measurement, since the ties fasten however you like. Use the head measurement as an extra check.

Size	Approx. age	Head (cm)
50	0-1 mo	34-36
56	1-2 mo	36-38
62	2-4 mo	38-40
68	4-6 mo	40-42
74	6-9 mo	42-44
80	9-12 mo	44-46
86	12-18 mo	46-48
92	18-24 mo	48-50
98	2-3 yr	49-51
104	3-4 yr	50-52
110	4-5 yr	51-53
116	5-6 yr	52-53
122	6-7 yr	52-54
128	7-8 yr	53-54
134	8-9 yr	53-55
140	9-10 yr	54-55
146	10-11 yr	54-56
152	11-12 yr	55-56
158	12-13 yr	55-57
164	13-14 yr	56-57
170	14-16 yr	56-58

SAFE USE FOR THE YOUNGEST

The kerchief is a garment for supervised, awake use. It should not be used during sleep, in a cot, in a pram unattended, or tied tightly around the neck. Always tie it loosely, in a bow, never in a firm knot the child cannot undo themselves.

WHAT YOU NEED

YARN

A smooth cotton yarn (aran weight) that gives 17 stitches x 22 rows in stockinette = 10 x 10 cm on 5 mm needles. Reynolds Saucy, Rico Design Creative Cotton Aran and Hobbii Amigo are all good choices.

Colour

Use

○ White/natural	main colour, whole kerchief
● Royal blue	the edge, RO, the waves
● Red	the flag
● Navy	the flag

NEEDLES AND KIT

- 5 mm circular or straight needles (back and forth, not in the round, until the triangle is done)
- 5 mm circular needle for the edge, and two 5 mm double-pointed needles for the ties
- Tapestry needle, scissors and tape measure

**If you knit tightly, try 5.5 mm needles. If you knit loosely, try 4.5 mm.
The target is always 17 stitches over 10 cm.**

GAUGE AND GLOSSARY

KNIT A SWATCH FIRST

Cast on 20 stitches. Knit garter stitch back and forth until the swatch is 10 cm tall. Lay it flat. Is 10 cm the same length as 17 stitches? Then you are ready. More stitches, try 5.5 mm needles. Fewer, try 4.5 mm.

GLOSSARY

Term	Means
st	stitch
k	knit
row	one row, once you have knitted across and back
increase	make more stitches, here: knit 1, then knit 1 twisted into the same stitch
bind off	take the stitches off the needle so the knitting does not unravel
MC	main colour

PART 1: THE POINT AND THE INCREASES

- 1 Cast on **4 stitches** in white. This is the point, it ends up at the back of the neck.
- 2 Knit 2 rows (garter stitch throughout, no stockinette).
- 3 Now increase on **every 2nd row**: knit 1, increase in the next stitch, knit until 2 stitches remain, increase, knit 1. That gives 2 more stitches every increase row.
- 4 Knit in the WAVE motif (see next page) as soon as there are at least 15 stitches on the needle, centred. Continue in white until about 20 rows remain before the wide front edge (see table), then knit the RO letters followed by the flag, centred, and continue plain in white the rest of the way.
- 5 Continue until you have the stitch count from the "Front edge stitches" column in the table on the next page, that is the wide front edge that lies over the forehead. Bind off loosely.

TABLE: THE TRIANGLE, ALL SIZES

Size	Front edge stitches	Rows to front edge	Front edge, approx.	Down to point, approx.
50	42	38	25 cm	17 cm
56	44	40	26 cm	18 cm
62	46	42	27 cm	19 cm
68	48	44	28 cm	20 cm
74	50	46	29 cm	20 cm
80	52	48	31 cm	21 cm
86	54	50	32 cm	22 cm
92	56	52	33 cm	23 cm
98	58	54	34 cm	24 cm
104	60	56	35 cm	25 cm
110	60	56	35 cm	25 cm
116	60	56	35 cm	25 cm
122	62	58	36 cm	26 cm
128	62	58	36 cm	26 cm
134	62	58	36 cm	26 cm
140	62	58	36 cm	26 cm
146	64	60	38 cm	27 cm
152	64	60	38 cm	27 cm
158	64	60	38 cm	27 cm
164	66	62	39 cm	28 cm
170	66	62	39 cm	28 cm

The row count is always an even number, since you increase on every 2nd row. "Down to point" is approximate, the important thing is reaching the right stitch count.

PART 2: THE MOTIF

The motif is knitted with stranded colourwork (fair isle): you knit with two colours in the same row and let the unused colour float loosely on the wrong side. Read the chart from the bottom up, alternating right-to-left and left-to-right rows (ordinary back-and-forth reading).

CHART: THE WAVES (11 STITCHES X 8 ROWS)

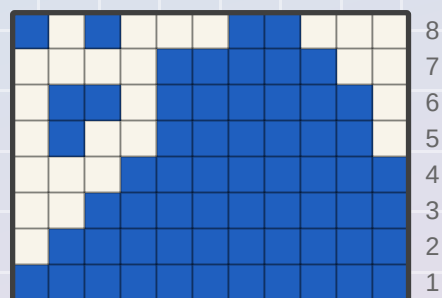

CHART: RO (7 STITCHES PER LETTER X 9 ROWS)

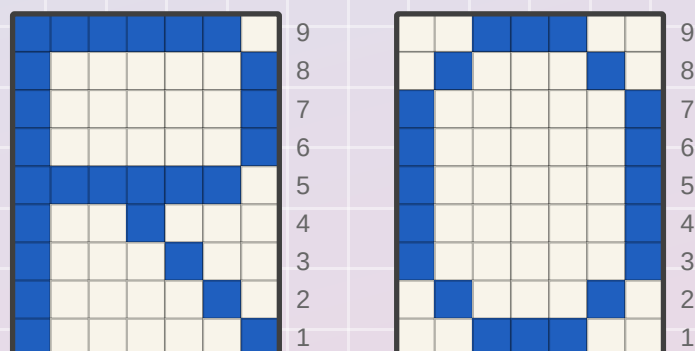

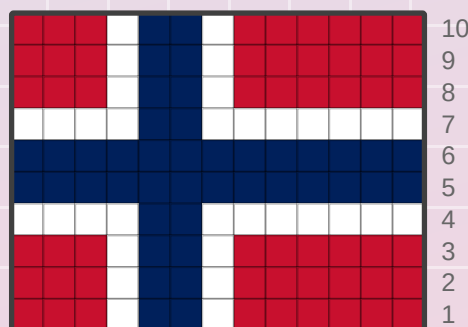

CHART: THE FLAG (13 STITCHES X 10 ROWS)

Coloured square = knit that colour. White/red square (the background) = knit with main colour.

PART 3: THE EDGE AND THE TIES

- 1 With the whole kerchief finished, pick up stitches in royal blue **all round the edge**: along the wide front edge, down one side to the point, and back up the other side. Pick up about 3 stitches for every 4 you pass. At the point and the two front corners, pick up 1 extra stitch, so it does not pull tight.
- 2 Knit 1 row back and forth in royal blue.
- 3 Increase to **double** the stitch count: knit 1, increase in the next, all the way along. Now the edge starts to wave.
- 4 Knit 2 more rows, still in royal blue. Bind off loosely.

THE TIES (I-CORD)

- 1 Cast on **3 stitches** on a double-pointed needle.
- 2 Knit 3 stitches. Without turning the work, slide the stitches to the other end of the needle. Pull the yarn tight behind the work and knit 3 stitches again. Repeat.
- 3 Continue until the tie measures the number in "Tie length" in the table below. Bind off. Knit a second tie, identical.
- 4 Sew each tie securely to each of the two front corners of the kerchief, with a needle and thread.

CARE AND FINAL CHECK

FINISHING

Weave in all loose ends securely on the wrong side, especially at the colour changes around the motif. Check that the floats on the inside lie loose, not tight.

USE AND CARE

Put the kerchief on with the wide front edge over the forehead, the point down at the back of the neck. Bring the two ties round the back and tie a loose bow under the point. Wash following the yarn's recommendation, often 30°C gentle in a wash bag, or by hand. Do not tumble dry.

CHECKLIST

- ☐ The swatch matches 17 stitches over 10 cm
- ☐ The triangle has the correct stitch count at the front edge
- ☐ RO, the flag and the waves are centred
- ☐ The edge waves from the increase round
- ☐ Both ties are the same length and securely fastened

Congratulations, you have knitted your very own RO kerchief!
