

LME CROCHET PATTERN

RO KERCHIEF FOR BABY AND CHILD

WHITE WITH BLUE RO, FLAG AND WAVES · SIZE 50-170

The same RO kerchief as the pattern for adults: a white triangular kerchief with the Norwegian flag and "RO" in blue, and two blue waves further down towards the point, with a solid blue wavy edge all the way round and two crocheted ties to fasten behind the neck. Graded completely from scratch into twenty-one baby, child and teen sizes, 50 to 170. This pattern is complete on its own, you do not need any other LME pattern to crochet it.

TIPS: Read the whole pattern once before you start. Always crochet a gauge swatch first, see page 4.

BEFORE YOU START

The kerchief is crocheted back and forth, not in the round. You start with just a few stitches at the point, which sits at the back of the neck, and increase evenly on both sides on every row until you reach the wide front edge, the one that lies over the forehead. At the end you crochet all round the edge to make a wavy border, and crochet two ties that fasten behind the neck.

WHAT YOU LEARN

- To crochet a triangle back and forth, with even increases at the sides on every row
- To place and crochet RO, the flag and the waves from charts
- To crochet all round an edge and finish it wavy
- To crochet a simple chain tie

HOW HARD IS IT?

For the youngest sizes (50-62) you can skip the motif and crochet the whole triangle in one colour, it looks just as nice.

SIZES AND GETTING THE FIT RIGHT

The clothing size is only a guide. The kerchief is graded by age/height, not fitted tightly to head measurement, since the ties fasten however you like. Use the head measurement as an extra check.

Size	Approx. age	Head (cm)
50	0-1 mo	34-36
56	1-2 mo	36-38
62	2-4 mo	38-40
68	4-6 mo	40-42
74	6-9 mo	42-44
80	9-12 mo	44-46
86	12-18 mo	46-48
92	18-24 mo	48-50
98	2-3 yr	49-51
104	3-4 yr	50-52
110	4-5 yr	51-53
116	5-6 yr	52-53
122	6-7 yr	52-54
128	7-8 yr	53-54
134	8-9 yr	53-55
140	9-10 yr	54-55
146	10-11 yr	54-56
152	11-12 yr	55-56
158	12-13 yr	55-57
164	13-14 yr	56-57
170	14-16 yr	56-58

SAFE USE FOR THE YOUNGEST

The kerchief is a garment for supervised, awake use. It should not be used during sleep, in a cot, in a pram unattended, or tied tightly around the neck. Always tie it loosely, in a bow, never in a firm knot the child cannot undo themselves.

WHAT YOU NEED

YARN

A smooth cotton yarn (aran weight) that gives 14 single crochets x 16 rows = 10 x 10 cm with a 4.5 mm hook. Reynolds Saucy, Rico Design Creative Cotton Aran and Hobbii Amigo are all good choices.

Colour

○ White/natural

HOOK AND KIT

- 4.5 mm crochet hook
- Tapestry needle, scissors and tape measure
- Stitch marker or safety pin (optional)

If you crochet tightly, try a 5 mm hook. If you crochet loosely, try 4 mm. The target is always 14 single crochets over 10 cm.

GAUGE AND GLOSSARY

CROCHET A SWATCH FIRST

Chain 20, turn, and single crochet back and forth until the swatch is 10 cm tall. Lay it flat. Is 10 cm the same length as 14 single crochets? Then you are ready. More stitches, try a 5 mm hook. Fewer, try 4 mm.

GLOSSARY

Term	Means
sc	single crochet
ch	chain
sl st	slip stitch
row	one row, once you have crocheted across and back
increase	crochet 2 sc into the same stitch
MC	main colour

PART 1: THE POINT AND THE INCREASES

- 1 Start at the point in white. Chain 2, and crochet 2 **single crochets** into the first chain. Now you have 2 stitches. This point ends up at the back of the neck.
- 2 Turn. Chain 1 (does not count as a stitch), and increase on every row: crochet 2 sc into the first stitch, sc across to the last stitch, crochet 2 sc into the last stitch. That gives 2 more stitches every row.
- 3 Crochet in the WAVE motif (see next page) as soon as there are at least 15 stitches on the row, centred. Continue in white until about 15 rows remain before the wide front edge (see table), then crochet the RO letters followed by the flag, centred, and continue plain in white the rest of the way.
- 4 Continue until you have the stitch count from the "Front edge stitches" column in the table on the next page, that is the wide front edge that lies over the forehead.

TABLE: THE TRIANGLE, ALL SIZES

Size	Front edge stitches	Rows to front edge	Front edge, approx.
50	34	16	25 cm
56	36	17	26 cm
62	38	18	27 cm
68	40	19	28 cm
74	40	19	29 cm
80	44	21	31 cm
86	44	21	32 cm
92	46	22	33 cm
98	48	23	34 cm
104	50	24	35 cm
110	50	24	35 cm
116	50	24	35 cm
122	50	24	36 cm
128	50	24	36 cm
134	50	24	36 cm
140	50	24	36 cm
146	54	26	38 cm
152	54	26	38 cm
158	54	26	38 cm
164	54	26	39 cm
170	54	26	39 cm

The row count includes the start (the 2 sc into the chain counts as row 1). The important thing is reaching the right stitch count, not counting rows exactly.

PART 2: THE MOTIF

Carry the colour you are not using on top of the row and crochet the single crochets around it, so it stays hidden inside. Change colour on the last pull-through of the stitch before, so the change comes out clean. Read the chart from the bottom up, right to left on right-side rows and left to right on wrong-side rows.

CHART: THE WAVES (11 STITCHES X 8 ROWS)

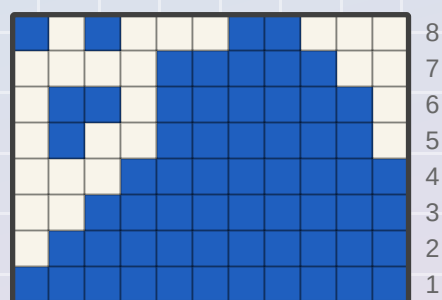

CHART: RO (7 STITCHES PER LETTER X 9 ROWS)

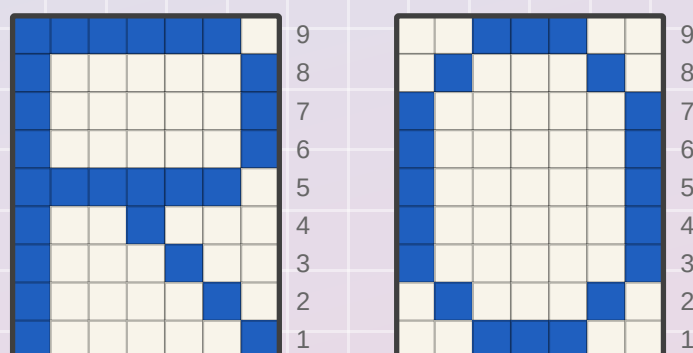

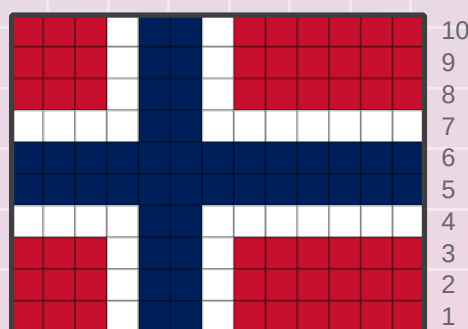

CHART: THE FLAG (13 STITCHES X 10 ROWS)

Coloured square = crochet that colour. White/red square (the background) = crochet with main colour.

PART 3: THE EDGE AND THE TIES

- 1 With the whole kerchief finished, single crochet in royal blue **all round the edge**: along the wide front edge, down one side to the point, and back up the other side. Crochet about 3 stitches for every 4 you pass. At the point and the two front corners, crochet 3 sc into the same stitch, so it does not pull tight. Finish with 1 slip stitch into the first stitch.
- 2 Increase to **about double** the stitch count: crochet 2 sc into every other stitch all the way round.
- 3 Wave round in royal blue: **3 sc into the same stitch, skip 1 stitch**, repeat all the way round. Finish with 1 slip stitch. Cut the yarn and fasten off.

THE TIES

- 1 Crochet a long row of **chains** until the tie measures the number in "Tie length" in the table below.
- 2 Cut with a generous tail and pull the thread through the last chain. Crochet a second tie, identical.
- 3 Sew each tie securely to each of the two front corners of the kerchief, with a needle and thread.

CARE AND FINAL CHECK

FINISHING

Weave in all loose ends securely on the wrong side, especially at the colour changes around the motif. Check that the carried threads inside lie loose, not tight.

USE AND CARE

Put the kerchief on with the wide front edge over the forehead, the point down at the back of the neck. Bring the two ties round the back and tie a loose bow under the point. Wash following the yarn's recommendation, often 30°C gentle in a wash bag, or by hand. Do not tumble dry.

CHECKLIST

- ☐ The swatch matches 14 single crochets over 10 cm
- ☐ The triangle has the correct stitch count at the front edge
- ☐ RO, the flag and the waves are centred
- ☐ The edge waves from the 3-sc-skip-1 round
- ☐ Both ties are the same length and securely fastened

Congratulations, you have crocheted your very own RO kerchief!
