LME CROCHET PATTERN - BABY

OLIVER'S BALLERINA SHOES

LME BABY COLLECTION - WOODLAND DREAMS

Sweet, classic baby ballerina shoes with a round toe, a little bear face with round ears on the toe, a T-bar strap with a light blue button, a light blue trim at the top and two little paw prints embroidered on the sole. Five sizes, from preemie to 12 months. No bow, just like the rest of Oliver's own collection, the light blue trim is his only decoration. Crocheted in the same warm colours as the rest of Woodland Dreams.

By Renate Dahl

TIP: Read through the whole pattern and the size chart on page 4 before you start, and crochet a small swatch to check your gauge.

ABOUT OLIVER'S BALLERINA SHOES

PART OF OLIVER'S WORLD

Oliver's ballerina shoes belong to the LME Baby Collection "Woodland Dreams". Imagine Oliver himself with a little pair of shoes to toddle around the forest floor in, that is exactly the feeling these ballerinas are meant to have: round, warm and ready for play.

STYLE

A classic ballerina shoe shape with a round toe and T-bar strap, in warm light brown with a light blue trim, just like the rest of Oliver's own collection. No bow here either, the light blue trim and button are the shoe's only decoration.

A GOOD FIT

Crocheted tightly, just like the rest of the amigurumi collection, so the shoe holds its shape and sits neatly on the foot without becoming floppy or too big.

MATERIALS AND YARN ALTERNATIVES

YARN

Bystrikk Merino in warm light brown for the shoe itself, a small leftover of cream for the muzzle patch on the bear face, plus light blue for the trim, the T-bar strap, the button and the paw prints, the same yarn family as the rest of Oliver's pattern.

Alternative yarn: any soft cotton-blend DK-weight yarn works well, for example DROPS Safran, Hobbii Amigo or Paintbox Simply DK. Cotton is easiest to keep clean.

TOOLS AND SUPPLIES

- Heklenål 3 eller 3,5 mm · avhengig av hvor stramt du hekler
- Stoppenål med butt spiss · til all somming
- Et lite, mykt hekleknapp (se side om T-stropp) · eller en enkel løkkeløsning uten knapp
- Saks og målebånd

SIZE CHART

Measure the child's foot from heel to big toe, and choose the closest size. If you are between two sizes, choose the larger one, baby feet grow fast.

Size	Approximate age	Foot length
Preemie	preemie/small newborn	approx. 7.5 cm
0 to 3 mo	0 to 3 months	approx. 9 cm
3 to 6 mo	3 to 6 months	approx. 10 cm
6 to 9 mo	6 to 9 months	approx. 11 cm
9 to 12 mo	9 to 12 months	approx. 12 cm

The numbers in the pattern are always given in this order: preemie (0-3) 3-6 (6-9) 9-12 months. Circle the numbers for your size with a pencil before you start.

DIFFICULTY AND GAUGE

DIFFICULTY

Medium. Good practice for crocheting an oval base and shaping a shoe form.

GAUGE

Crochet tightly: approx. 20 sc x 22 rounds = 10 x 10 cm on a 3 to 3.5 mm hook. If you crochet looser, the shoe goes floppy and loses its shape.

ABBREVIATIONS (NORWEGIAN AND US)

The shoes use single crochet and a picot technique for the edge. Here are the abbreviations, with the common US crochet terms alongside.

Norwegian	US	Means
lm	ch	luftmaske / chain
fm	sc	fastmaske / single crochet
kjm	sl st	kjedemaske / slip stitch
picot	picot	liten pigg: 3 lm, kjm tilbake i første av de tre luftmaskene
økn	inc	økning: 2 fm i samme maske. Gir én maske mer.
m	st(s)	maske(r)
()	()	totalt antall masker på omgangen
...	*...*	gjenta det mellom stjernene så mange ganger som står bak

TIPS BEFORE YOU START

- Always crochet a test shoe in the smallest size first, if you are unsure of your gauge.
- Try the shoe gently against the foot (or a drawing of the foot) as you work the upper.
- The two shoes should match exactly, count the stitches carefully on both before moving on to the next part.

HOW THE SHOE IS BUILT

Each shoe has five parts, no bow. Crochet everything twice, once for each foot.

1. The sole

oval base, with two embroidered paw prints

2. The upper

the sides and toe

3. The bear face

a little head with round ears on the toe

4. The T-bar strap

with a light blue button or loop

5. The light blue trim

Oliver's only decoration, around the top of the shoe

PART 1: THE SOLE

The sole is crocheted flat, as an oval, and forms the base for the whole shoe. The numbers are given in the order preemie (0-3) 3-6 (6-9) 9-12 months.

Method: Chain the number of stitches given for your size. Starting in the 2nd chain from the hook: work 1 sc in each chain along one side, work 3 sc in the last chain (the toe tip), continue with 1 sc in each of the remaining chains on the other side, and finish the round with 2 sc in the very first stitch (the heel). You now have a flat, oval base.

Rnd	Description	Sts
1	chain 8 (9) 10 (11) 12, crochet the oval base (see method above)	20 (22) 24 (26) 28
2	inc evenly in both curved ends (approx. 6 increases in each)	32 (34) 36 (38) 40

Do not cut the yarn. You continue straight into the upper from the same thread. Embroider two small paw prints in light blue in the middle of the underside of each sole, as in the reference photo, a little detail that shows whose shoe it is when the baby lifts their foot.

PART 2: THE UPPER

The upper is crocheted straight up from the outer edge of the sole, in your chosen main colour.

Rnd	Description	Sts
1	sc in each stitch around (same count as the last round of the sole)	32 (34) 36 (38) 40
2 to end	sc straight up with no increases, number of rounds: 3 (3) 4 (4) 5	32 (34) 36 (38) 40

Shape the foot opening: On the last round, only crochet over the back and side two-thirds of the round (the heel and sides), leaving the front third (over the toes) open and unworked. Fasten off, leaving a long tail. Try the shoe on the foot here, and adjust the number of rounds on the second shoe if needed, so both match.

PART 3: THE BEAR FACE

A little, flat bear head is sewn onto the toe of each shoe, with a small cream muzzle patch. No bow here, just like on Oliver himself.

Rnd	Description	Sts
1	6 sc in a magic ring	6
2	inc x 6	12
3	(1 sc, inc) x 6	18
4	18 sc straight	18

Fasten off, leaving a long tail, and press the head flat. Crochet two small, round ears (6 sc in a magic ring, inc x 6 (12), fasten off, make 2 per shoe), the classic teddy bear shape in miniature, and sew them onto the top of the head, with a bit of the top peeking up over the top edge of the shoe, just like in the reference photo. Crochet a small cream muzzle patch (5 sc in a magic ring, fasten off) and sew it onto the bottom of the head. Embroider a small face (two eyes, a little nose, and pink cheeks if you like) using the same technique as Oliver's other motifs. Sew the bear face securely onto the middle of the toe of the shoe. No bow between the ears, the light blue trim is the shoe's decoration.

PART 4: THE T-BAR STRAP AND CLOSURE

The T-bar strap runs from the middle of the toe opening, up and over the instep, to one side, in light blue.

Attach light blue yarn in the middle front of the bottom edge of the opening. Crochet a short strap of single crochet straight over the instep, in a length that suits the size (try it against the foot). Attach the strap to one side of the shoe with a few secure stitches.

CLOSURE, TWO SAFE OPTIONS

- **Without a button (recommended for the smallest sizes):** Let the strap end in a small crocheted loop, and sew the loop directly onto the other side of the shoe. No loose button, safest for the smallest sizes.
- **With a soft crocheted button in light blue:** Crochet a small flat "button" in light blue (5 sc in a magic ring, fasten off), just like in the reference photo, and sew it securely onto the side of the shoe. Slip the strap's loop over the button. Never use a hard plastic or metal button, and check that the button is firmly attached before every use.

PART 5: THE LIGHT BLUE TRIM

The light blue picot trim is Oliver's only decoration on the shoe, in place of a bow, just like the rest of his own collection. It also gives the shoe a classic, slightly lace-like ballerina look, and is crocheted last, all the way around the top opening.

Attach light blue yarn anywhere along the top edge. Crochet *1 sc in the next stitch, 3 ch, sl st back into the first of the three chains (one picot made)*, repeat all the way around the opening. Finish with a slip stitch and fasten the yarn securely on the inside.

ASSEMBLY, STEP BY STEP

- 1 Crochet the sole and upper as one piece, for both shoes, and embroider two paw prints in light blue on each sole.
- 2 Crochet the bear faces with round ears and a muzzle patch, and embroider the faces, and sew one onto the toe of each shoe.
- 3 Crochet the T-bar strap on each shoe in light blue, and fasten with your chosen closure (no button, or a soft crocheted button in light blue).
- 4 Crochet the light blue picot trim around the top of both shoes.
- 5 Fasten every loose end securely on the inside, and trim what is left.
- 6 Try both shoes on the foot one last time, and check they match in size and fit well.

SAFETY AND CARE

SAFETY

- No parts are glued. Everything is sewn on with strong, twisted cotton thread and plenty of tight stitches.
- Never use a hard plastic or metal button on the smallest sizes, choose the button-free loop closure instead.
- Check the shoes regularly for wear: loose threads, a loose bear face, ears or buttons that feel loose. Discard or repair immediately if anything is wrong.
- The shoes are intended for indoor play and cosiness, not as a substitute for soles when walking outdoors.
- This pattern is a guide for home use. If the finished product is sold, it must always be checked, tested and marked as required under current local safety requirements and regulations for children's products.

CARE AND WASHING

Hand wash in lukewarm water with a little mild soap. Gently press out the water in a towel, do not wring. Lay flat to dry, neatly shaped.

CONGRATULATIONS, THE SHOES ARE DONE!

Now you have crocheted a little pair of ballerina shoes for the Oliver collection.
Perfect for photos, gifts and everyday cosiness!

THE REST OF THE LME BABY COLLECTION

- Oliver, the little bear
- Oliver's pacifier clip
- Oliver's rattle
- Oliver's stroller toy
- Oliver's activity toy
- Ellie, the little fawn
- Pip, the little hedgehog
- Felix, the little fox
- Molly, the little lamb
- Luna, the little bunny
