LME CROCHET PATTERN - BABY

ELLIE'S PACIFIER CLIP

LME BABY COLLECTION - WOODLAND DREAMS

A little pacifier clip with a simplified deer head inspired by Ellie, with a powder pink ruffled collar around the neck, a little bow between the ears, a few soft crocheted balls with a star bead, and a cord loop for the pacifier ring at the end. Crocheted in the same natural colours as the rest of the collection. Maximum length follows current safety guidance for soother holders.

ABOUT ELLIE'S PACIFIER CLIP

PART OF ELLIE'S WORLD

Ellie's pacifier clip belongs to the LME Baby Collection "Woodland Dreams", the same woodland world as Ellie, the little fawn. The small deer head on the clip is a simplified version of Ellie, just the right size to hang safely and playfully next to the pacifier.

STYLE

Minimalist, Montessori-inspired and Scandinavian, in the same natural colours as Ellie: brown, cream and powder pink. Calm and simple, never cluttered.

MOST IMPORTANT OF ALL: SAFETY

A pacifier clip is something a baby has close to their face, often alone in a pram or bed. That's why this pattern's length is deliberately short, and all of page 14 is dedicated to safety. Read that page before you crochet on.

MATERIALS AND YARN ALTERNATIVES

YARN

Bystrikk Merino (brown and cream), leftover powder pink for the ruffled collar and the bow. Same yarn as the rest of the Ellie collection, so leftovers from the other patterns often stretch to cover this.

Alternative yarn: any soft cotton-blend DK-weight yarn (e.g. DROPS Safran, Hobbii Amigo, Rico Ricorumi) works well. Avoid acrylic close to the mouth, cotton is easiest to wash clean.

TOOLS AND SUPPLIES

- **Heklenål 3 eller 3,5 mm** · litt tettere enn Ellie selv, siden delene er små
- **Polyesterfiber til fyll** · liten mengde
- **Stoppenål med butt spiss** · til all somming
- **Rund tre-kuleklips med smokkelenke-mekanisme** · kjøpt hos leverandør av smokkelenke-tilbehør, med sikker, innkapslet fjærmekanisme, BPA-fri/CE-merket og beregnet spesielt for smokkeholdere (se side om sikkerhet)
- **En stjerneformet treperle** · umalt/CE-merket, samme hull-størrelse som de andre treperlene
- **Smokkering eller adapterring** · BPA-fri, beregnet for smokkeholdere, tres gjennom snorløyken i enden
- **Tvinnet bomullstråd og nål** · til å sy delene godt fast
- **Saks og målebånd**

WITH OR WITHOUT BEADS

This pattern can be crocheted entirely without beads (crocheted balls only), or varied with beads between the crocheted pieces:

- **Without beads:** crocheted balls and motifs only. Safest and simplest, recommended for the youngest babies.
- **With wooden beads:** unpainted, CE-marked wooden beads intended for children, with a hole wide enough for thick cord.
- **With silicone beads:** matte, BPA-free silicone beads intended for teething/baby products.

DIFFICULTY, SIZE AND GAUGE

DIFFICULTY

Easy to medium. A good first amigurumi project.

FINISHED LENGTH

Max 22 cm total length, stretched out from the clip to the pacifier loop, in line with EN 12586. See the safety page for the full explanation. Never crochet the clip longer than this, regardless of age.

GAUGE

Crochet tightly, amigurumi tension: approx. 20 sc x 22 rounds = 10 x 10 cm on a 3 mm hook. The stuffing should not show through the stitches on the crocheted balls and deer head.

ABBREVIATIONS (NORWEGIAN AND US)

This pattern uses a few more crochet techniques than a plain amigurumi figure, since the ruffled collar needs double crochet. Here are all the abbreviations, with the common US crochet terms alongside, plus the sewing technique used to sew the pieces on.

Norwegian	US	Means
lm	ch	luftmaske / chain
fm	sc	fastmaske / single crochet
stav	dc	stav / double crochet
kjm	sl st	kjedemaske / slip stitch
magisk ring	magic ring	justerbar startring uten hull i midten
økn	inc	økning: 2 fm i samme maske. Gir én maske mer.
mink	dec	minking: 2 fm sammen. Gir én maske mindre.
m	st(s)	maske(r)
()	()	totalt antall masker på omgangen
...	*...*	gjenta det mellom stjernene så mange ganger som står bak
heftesting	running stitch	sømteknikk (ikke hekling): tette, jevne sting rett gjennom begge lag med synål og tråd, brukes til å sy deler fast

TIPS BEFORE YOU START

- Lay all the pieces out side by side before assembling, so you can see how the length works out.
- Always measure the finished clip fully stretched out, not relaxed, when checking the length.
- Crochet a couple of spare balls, in case you want to adjust the length as you go.
- Use only strong, twisted cotton thread for assembly, never thin sewing thread.

HOW THE PACIFIER CLIP IS BUILT

Three types of pieces are crocheted separately, then threaded or sewn together at the end along a short cord, or directly to each other:

1. The little deer head

a simplified Ellie with two cream cheek patches, a muzzle and a bow, one per clip

2. The ruffled collar

powder pink, crocheted separately and sewn around the neck

3. The crocheted balls

as many as you need to fill out the length, with one star bead

SIZE

Max 22 cm total length, stretched out from the clip to the pacifier loop, in line with EN 12586. See the safety page for the full explanation. Never crochet the clip longer than this, regardless of age.

PART 1: THE LITTLE DEER HEAD

A simplified, small version of Ellie's head. The head itself is crocheted in a spiral, brown. Two light cheek patches and a small muzzle, all in cream, are crocheted separately and sewn on, see the next page.

Rnd	Description	Sts
1	6 sc in a magic ring	6
2	inc x 6	12
3	(1 sc, inc) x 6	18
4	(2 sc, inc) x 6	24
5 to 8	24 sc, 4 rounds with no increases	24
9	(2 sc, dec) x 6 - stuff firmly from here	18
10	(1 sc, dec) x 6	12
11	dec x 6	6

Cut the yarn, leaving a tail of approx. 20 cm. Diameter approx. 3.5 to 4 cm.

TWO SMALL EARS

Each ear is crocheted in two layers, just like on Ellie herself: a small circle in brown (the outside) and an even smaller circle in cream or powder pink (the inside), which are sewn together.

THE OUTSIDE (BROWN) - MAKE 2

Rnd	Description	Sts
1	6 sc in a magic ring	6
2	inc x 6	12

THE INSIDE (CREAM OR POWDER PINK) - MAKE 2

Rnd	Description	Sts
1	5 sc in a magic ring	5

Cut both pieces, leaving a tail of approx. 15 cm. Do not stuff the ears, they should be flat. Place the small circle in the middle of the brown one and sew it on with running stitch (small, even stitches straight through both layers, one next to the other, using a sewing needle and thread), leaving an even brown rim showing. Sew each ear onto the top of the head, with a little space between.

THE CHEEK PATCHES AND MUZZLE (CREAM)

Ellie's light markings are NOT one single patch around the whole face, they are two separate oval cream patches, one under each eye, that narrow and meet down at the muzzle. Brown should still show both between the two patches (down the bridge of the nose) and outside them. The muzzle is crocheted and sewn on as its own small, stuffed piece between the two patches. All three pieces are crocheted in cream.

TWO CHEEK PATCHES (CREAM) - MAKE 2

Rnd/Row	Description	Sts
1	chain 6. Starting in the 2nd ch from the hook: 4 sc, 3 sc in the last ch (one tip), continue along the other side of the chain: 4 sc, 3 sc in the same st as the start (the other tip)	14

Finish with a slip stitch and cut, leaving a tail of approx. 15 cm on each of the two patches. Do not stuff them, they should lie flat.

THE MUZZLE (CREAM)

Rnd/Row	Description	Sts
1	chain 4. Starting in the 2nd ch from the hook: 2 sc, 3 sc in the last ch (one tip), continue along the other side of the chain: 2 sc, 3 sc in the same st as the start (the other tip)	10

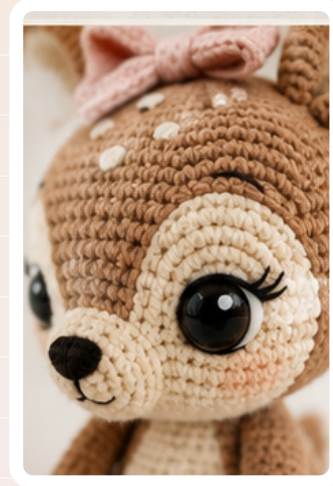

Finish with a slip stitch and cut, leaving a tail of approx. 15 cm. Stuff a small amount of filling into the muzzle so it becomes slightly round and raised from the head, not flat.

PLACEMENT

Place the two cheek patches on the lower half of the head, one on each side, with the narrow tip pointing in towards the centre (where the muzzle will sit) and the wide, rounded end turned up and out towards each eye. Leave brown showing between the two tips, down the centre, and brown showing outside both patches. Sew flat with tight stitches all the way around the edge of each patch. Finally, sew the muzzle in place right between the two tips, at the bottom, right above the edge where the ruffled collar will later be crocheted on (see part 2). The stuffing in the muzzle should not be able to fall out.

THE FACE, EMBROIDERED

Embroider two small, round eyes in black satin stitch, one at the top of each cheek patch. Then embroider a tiny black triangular nose at the top of the muzzle itself, centred. Finally, embroider 2 to 3 tiny cream dots (French knots or small dense satin-stitch dots) on the forehead, between the ears and above the cheek patches, just like the light spots on Ellie herself. Do not use plastic safety eyes here, since the clip must be entirely free of hard or loose parts. See the reference photo from Ellie for inspiration on the expression, in miniature: two eyes, two cheek patches, and brown showing between them, not one continuous patch.

Reference: Ellie's expression

PART 2: THE RUFFLED COLLAR

THE RUFFLED COLLAR (POWDER PINK) - CROCHETED SEPARATELY

The collar is not crocheted directly onto the head, it is a separate little piece sewn on afterwards. Chain 24, join into a ring with 1 slip stitch in the very first chain (make sure the chain is not twisted before you join). Round 1: *1 sc in the next stitch, skip 1 stitch, 3 dc in the next stitch (a little fan), skip 1 stitch*, repeat 6 times around the whole ring until you are back at the start (24 stitches total in the ring, 6 fans). Finish with a slip stitch in the very first sc, cut and leave a tail of approx. 15 cm.

PLACEMENT

The ruffled collar is crocheted directly onto the head and needs no extra attaching, it sits in place as a little ruffled edge around the neck, just like in the reference photo.

THE BOW (POWDER PINK)

Crochet a narrow strip in powder pink: chain 10 + 1 turning chain, 1 row of sc (10 sc). Fold the strip together into a small bow shape and wrap a short length of yarn tightly around the centre a few times. Sew the bow on permanently and flat, between the ears, just like in the reference photo.

PART 3: THE CROCHETED BALLS

Crochet as many balls as you need to fill out the length between the clip and the deer head, for example alternating brown and cream, with wooden beads in between and one star-shaped wooden bead somewhere in the row.

Remember: the total length must never exceed 22 cm.

Rnd	Description	Sts
1	6 sc in a magic ring	6
2	inc x 6	12
3 to 4	12 sc, 2 rounds	12
5	dec x 6	6

Stuff lightly, cut with a long tail on each ball. Diameter approx. 1.5 cm. The number of balls depends on the size of the pacifier ring and clip you use, always lay out the whole clip before attaching anything permanently.

THE CORD LOOP FOR THE PACIFIER RING

Instead of attaching the pacifier ring directly to the last ball, crochet a short, firm strip in cream: chain 16 + 1 turning chain, 1 row of sc back (16 sc). Fold the strip lengthwise and sew together into a thin, round cord. Bend the cord into a loop and sew the ends securely to the last ball at the end of the clip. Thread the pacifier ring through the loop before attaching the whole piece.

ASSEMBLY, STEP BY STEP

Lay out all the pieces in the order you want them, and measure the whole clip fully stretched out before you sew or tie anything in place.

- 1 Sew the ears, the two cheek patches and the muzzle onto the head, if you have not already.
- 2 Finish crocheting the ruffled collar as its own piece (if not done already), and sew it in place around the bottom edge of the deer head with running stitch. Sew the bow on between the ears.
- 3 Thread or sew the balls and the star bead (and any other beads) in the order you want, on a short, strong cotton cord, or sew them directly together with tight running stitch between each piece.
- 4 Attach the deer head at one end.
- 5 Crochet the cord loop and sew it securely to the last ball at the other end, thread the pacifier ring through the loop.
- 6 Measure the whole clip fully stretched out. If it is longer than 22 cm, remove a ball or two.
- 7 Sew the finished clip securely onto the wooden ball clip, with plenty of tight stitches.
- 8 Fasten every loose end securely on the inside of the pieces, and trim what is left.

SAFETY, THE MOST IMPORTANT PAGE

MAX LENGTH: 22 CM

This pattern follows the principle in the European standard EN 12586 for soother holders: a simple pacifier clip (clip + strap/chain with no other attachment features) must not be longer than 220 mm (22 cm) fully stretched out. The purpose is to make it impossible for the strap to form a loop around the child's neck. Never crochet a clip longer than this, regardless of the child's age.

MORE IMPORTANT RULES

- Always use under adult supervision. Remove the pacifier clip when the child is sleeping, lying alone in a pram or bed, or unsupervised.
- No parts are glued. Everything is sewn or tied on with strong, twisted cotton thread and a double knot.
- Use only unpainted/CE-marked wooden beads or BPA-free silicone beads intended for children, never beads or trim intended for adult jewellery.
- Use only a wooden ball clip bought specifically for pacifier clips, with an enclosed spring mechanism, BPA-free/CE-marked, never a generic binder or office clip. Attach the clip with plenty of tight stitches.
- Check the clip regularly for wear: loose threads, cracked beads, or parts that have gone soft or loose. Discard the clip immediately if anything is wrong.
- This pattern is a guide for home use. If the finished product is sold, it must always be checked, tested and marked as required under current local safety requirements and regulations for children's products, which may differ from and be updated beyond what is described here.

CARE AND WASHING

Hand wash in lukewarm water with a little mild soap. Rinse well. Gently press out the water in a towel, do not wring. Lay flat to dry. Avoid machine washing, since wood and beads can be damaged.

CONGRATULATIONS, THE CLIP IS DONE!

Now you have crocheted your own pacifier clip for the Ellie collection. Remember to check the length one last time before it's used!

THE REST OF THE LME BABY COLLECTION

- Ellie, the little fawn
- Ellie's activity toy
- Ellie's rattle
- Ellie's stroller toy
- Ellie's ballerina shoes with a bow
