

LME CROCHET PATTERN

BUCKET HATS FOR BABY AND CHILD

NORGE · NORWAY · RO · SIZE 50-104

The same bucket hat as the NORGE and RO patterns for adults, crocheted in single crochet and graded completely from scratch into ten baby and child sizes, 50 to 104. Smaller letters and a small flag motif were designed just for the smallest heads. This pattern is complete on its own, you do not need any other LME pattern to crochet it.

TIPS: Read the whole pattern once before you start. Always crochet a gauge swatch first, see page 4.

BEFORE YOU START

The bucket hat is crocheted in a spiral (not joined rounds) in single crochet, from the top down. You first crochet a rounded top that grows from a small ring, then the sides straight down with the motif in the middle, and finally a brim that flares out and waves. This pattern covers three motifs, pick the one you want to make:

- **NORGE:** the word crocheted in white across the forehead
- **NORWAY:** the same, but with the English name
- **RO:** the RO letters plus a small Norwegian flag, solid blue brim

WHAT YOU LEARN

- To crochet in a spiral from a magic ring
- To increase evenly to crochet a flat, rounded top
- To place and crochet a small letter or flag motif from a chart
- To crochet a flared, wavy brim with an increase round

HOW HARD IS IT?

Beginner friendly. You should be able to single crochet, know how to start a magic ring, and change colour. The motif is crocheted with only two colours at a time, and every step is spelled out in this pattern.

Use a stitch marker (a safety pin or a bit of contrast yarn works fine) in the first stitch of every round, so you do not lose count in the spiral.

SIZES AND GETTING THE FIT RIGHT

The clothing size is only a guide. Always measure around the child's head, above the ears and eyebrows. Go by the head measurement if it and the clothing size point to different sizes.

Size	Approx. age	Head (cm)
50	0-1 mo	34-36
56	1-2 mo	36-38
62	2-4 mo	38-40
68	4-6 mo	40-42
74	6-9 mo	42-44
80	9-12 mo	44-46
86	12-18 mo	46-48
92	18-24 mo	48-50
98	2-3 yr	49-51
104	3-4 yr	50-52

SAFE USE FOR THE YOUNGEST

The hat is a garment for supervised, awake use. It should not be used during sleep, in a cot, in a pram unattended, or if the brim covers the eyes, nose or mouth. Always check that no loose threads or long floats on the inside can catch on little fingers.

Children grow at different rates. The actual head measurement always beats age, measure again whenever you are unsure.

WHAT YOU NEED

YARN

A smooth cotton yarn (aran weight) that gives 14 single crochet x 16 rounds = 10 x 10 cm, crocheted in a spiral. Reynolds Saucy, Rico Design Creative Cotton Aran and Hobbii Amigo are all good choices, in red, white and navy.

Colour

Use

● Red	main colour
○ White	letters, stripes
● Navy	stripes, flag, RO brim

Have plenty of red main colour (almost the whole hat) and one small ball each of white and navy, they are only used in the brim and the motif.

HOOK AND KIT

- A crochet hook that gives the stated gauge, often 3.5–4 mm for an aran yarn
- Tapestry needle, scissors and tape measure
- Stitch marker for the first stitch of every round

If you crochet tightly, try a bigger hook. If you crochet loosely, try a smaller one. The target is always 14 single crochet over 10 cm.

GAUGE, THE SECRET KEY

CROCHET A SWATCH FIRST

Crochet a square at least 12 x 12 cm in single crochet with the main colour. Wash and dry it the way you plan to treat the hat, then measure across the middle.

- More than 14 sc over 10 cm: try a bigger hook.
- Fewer than 14 sc over 10 cm: try a smaller hook.
- Exactly 14 sc: use your hook and get going.

GLOSSARY

Term	Means
sc	single crochet
round	one whole lap around
inc	increase, 2 sc in the same stitch
sc2tog	crochet 2 stitches together, decreases one stitch
MC	main colour (red)
spiral	the rounds are worked as one continuous round, no slip stitch or chain-up, follow the stitch marker
float	the thread that runs on the inside when the colour is not in use

PART 1: THE TOP

- 1 Crochet 6 sc into a magic ring in red main colour. Pull the ring closed. Place a stitch marker in the first stitch, move the marker up one stitch for every new round. From now on everything is worked in a spiral, no slip stitch.
- 2 Round 2: inc (2 sc) in every stitch around = 12 stitches.
- 3 Round 3: *inc, 1 sc*, repeat around = 18 stitches.
- 4 Round 4: *inc, 1 sc, 1 sc*, repeat around = 24 stitches. Continue the same way: every new round increases 6 stitches evenly spaced, with one more plain sc between each increase than the round before.
- 5 Find the number for your size in the «Standard round» column in the table on the next page. Keep increasing this way until you have crocheted exactly that round.
- 6 If your size has a number other than 0 in the «Extra» column, crochet one more round: spread that many increases evenly around the round (for example every sixth or seventh stitch), plain sc the rest. That lands you exactly on the «Total» number.

Check the diameter against the table on the next page, not just the stitch count. If you are more than 0.5 cm off, adjust your hook size before continuing.

TABLE: THE TOP, ALL SIZES

Size	Standard round	Extra	Total stitches	Top diam. (cm)
50	8	0	48	10.9
56	8	3	51	11.6
62	9	0	54	12.3
68	9	3	57	13.0
74	10	0	60	13.6
80	10	3	63	14.3
86	11	0	66	15.0
92	11	2	68	15.5
98	11	4	70	15.9
104	12	0	72	16.4

PART 2: THE SIDES AND THE MOTIF

- 1 Once the top has the right stitch count, crochet straight down with no more increases. Keep the stitch count from the table on the previous page through this whole part, this is now the sides of the hat.
- 2 Crochet the number of rounds given in the «Before motif» column in the table below, in the main colour.
- 3 Crochet your motif here, 7 rounds, see the charts on the next page. Important: because the hat is crocheted from the top down, you work the chart **top to bottom** (round 7 first, round 1 last), the opposite order from the knitting pattern.
- 4 Continue plain in the main colour after the motif, for the number of rounds in the «After motif» column.

TABLE: THE SIDES

Size	Before motif (rnds)	Motif (rnds)	After motif (rnds)	Finished circ. (cm)
50	2	7	3	34.3
56	2	7	4	36.4
62	3	7	4	38.6
68	3	7	4	40.7
74	4	7	4	42.9
80	4	7	5	45.0
86	4	7	6	47.1
92	4	7	7	48.6
98	4	7	7	50.0
104	4	7	8	51.4

THE MOTIF CHARTS

The motifs are crocheted in white or navy on a red background, in single crochet: each square in the chart is exactly one single crochet and one round.

HOW TO PLACE THE MOTIF

Count the stitches around and find the middle (half of the total stitch count from the table on page 7), that becomes centre front, the middle of the forehead. Centre the chart around this point, with the same number of background stitches on each side. Keep the carried thread loose on the inside.

CHART: NORGE (29 STITCHES X 7 ROUNDS)

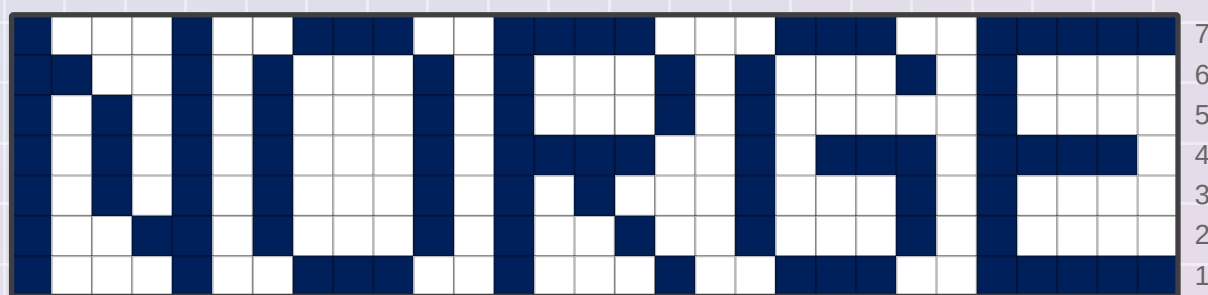

CHART: NORWAY (35 STITCHES X 7 ROUNDS)

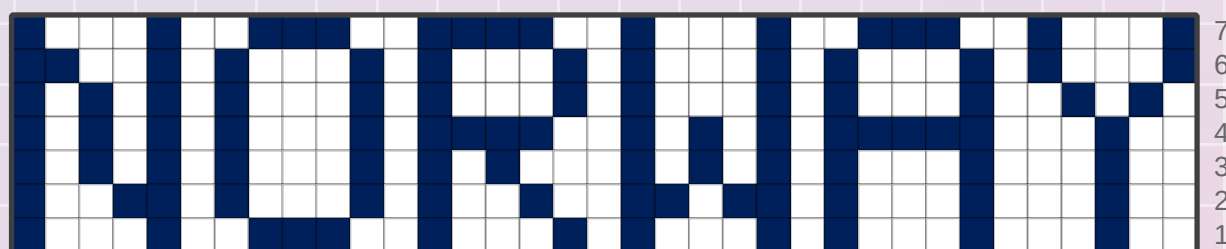

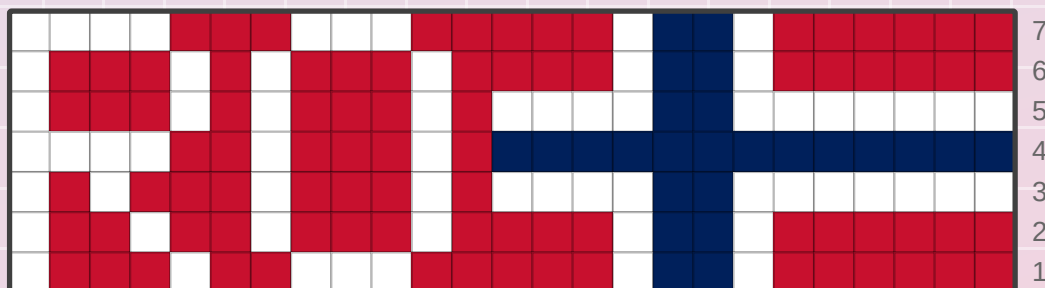

CHART: RO + FLAG (25 STITCHES X 7 ROUNDS)

Read the charts top to bottom

Round 7, at the top of the chart, is worked first, round 1, at the bottom, is worked last. Work it the other way round and the letters come out upside down.

PART 3: THE BRIM

- 1 NORGE/NORWAY: switch to white. RO: switch to navy and crochet the whole brim in this colour, skip to step 5.
- 2 Crochet one round with no increase in the new colour.
- 3 Find the «Increase on rnd» column in the table below. On each of these round numbers (counted from the start of the brim), spread the number of increases from the «Increases each time» column evenly around the round. On the rounds in between, crochet one plain sc in every stitch.
- 4 Continue until the brim has been crocheted for the number of rounds in the «Brim rounds» column on page 3. The end result comes out at about the «Approx. total» number.
- 5 NORGE/NORWAY colours: work white–navy–white–red over the last four brim rounds. If your size has fewer than four rounds left, the stripes start correspondingly earlier.

TABLE: THE BRIM

Size	Brim rnds	Increase on rnd	Increases each time	Approx. total (st)
50	6	2, 4, 6	6	66
56	6	2, 4, 6	6	69
62	7	2, 4, 6	7	75
68	7	2, 4, 6	7	78
74	8	2, 4, 6, 8	8	92
80	8	2, 4, 6, 8	8	95
86	9	2, 4, 6, 8	8	98
92	9	2, 4, 6, 8	9	104
98	10	2, 4, 6, 8, 10	9	115
104	10	2, 4, 6, 8, 10	9	117

THE WAVY FINISH

For a calm wave: finish with slip stitches or crab stitch. For a more pronounced wave: *3 sc in the next stitch, 1 sc, skip 2 stitches*, repeat around. For the smallest sizes (50–68) the calm finish is recommended, so the brim does not sit heavy in front of the face.

CARE AND FINAL CHECK

FINISHING

Cut the yarn leaving a generous tail and fasten it off securely on the inside. Weave in all loose ends, especially at the colour changes in the brim and around the motif. Check that the floats on the inside lie loose.

CARE

Wash following the yarn's recommendation, often 30°C on a gentle cycle in a wash bag, or by hand. Do not tumble dry. Shape the hat over a bowl or glass of the right size and let it dry flat or on the form.

CHECKLIST

- ☐ The head measurement has been checked, not just age
- ☐ The swatch matches 14 sc x 16 rounds over 10 cm
- ☐ The top's diameter matches the table on page 7
- ☐ The motif is centred at centre front
- ☐ All floats on the inside lie loose
- ☐ The brim has been crocheted for the stated number of rounds and has the shape from the table

Congratulations, you have crocheted your very own kids' bucket hat!
