

LME CROCHET PATTERN

🇳🇴 RO BUCKET HAT 🇳🇴

WHITE WITH BLUE RO, FLAG AND WAVES

A white bucket hat crocheted in cotton, with "RO" and the Norwegian flag in blue at the front, and two blue splashes of wave at the back. The brim is crocheted in solid blue with a wavy edge. The motifs are crocheted right in with tapestry crochet, not embroidered on. Fits an adult (head circumference 54 to 57 cm). A calm and pretty summer hat.

TIP: Read the whole pattern through once first. The gauge decides the size, so make a little gauge swatch.

SIZE AND MATERIALS

SIZE

Fits head circumference **54 to 57 cm** (adult).

Finished measurements

Circumference	approx. 56 cm
Height (sides, without brim)	approx. 20 to 21 cm
Brim width (when wavy)	approx. 7 to 8 cm
Diameter of the top	approx. 16 cm

MATERIALS

DROPS Paris (100% cotton):

Colour	For	Amount
○ White (01)	main colour	3 balls
● Royal blue (07)	brim, RO, waves	2 balls
● Red (06)	for the flag	1 ball
● Navy blue (17)	for the flag	a little

- Crochet hook **5 mm**
- Stitch markers
- Tapestry needle
- Scissors

GAUGE AND GLOSSARY

GAUGE, THE IMPORTANT KEY

14 sc x 16 rounds = 10 x 10 cm (crocheted in a spiral in single crochet with a 5 mm hook).

Crochet a little gauge swatch and measure. If the swatch is too big, switch to a thinner hook. Too small, switch to a thicker hook. The right gauge gives the right size.

ABBREVIATIONS

Short	Means
ch	chain
sc	single crochet
sl st	slip stitch
inc	increase (2 sc in the same stitch)
st	stitch(es)
()	total number of stitches in the round

The whole hat is crocheted in a spiral in single crochet, without closing the rounds.

PART 1: THE TOP

The top is crocheted in a spiral (round) in single crochet, from a magic ring and outward. Put a stitch marker in the first stitch, and move it up each round.

Rnd	Description	Sts
1	6 sc in magic ring	6
2	inc x 6	12
3	(1 sc, inc) x 6	18
4	(2 sc, inc) x 6	24
5	(3 sc, inc) x 6	30
6	(4 sc, inc) x 6	36
7	(5 sc, inc) x 6	42
8	(6 sc, inc) x 6	48
9	(7 sc, inc) x 6	54
10	(8 sc, inc) x 6	60
11	(9 sc, inc) x 6	66
12	(10 sc, inc) x 6	72
13	(11 sc, inc) x 6	78

The top is done. Diameter approx. 16 cm. You now have 78 stitches.

PART 2: THE SIDES WITH RO AND WAVES

Now you crochet straight up in a spiral, without increases. You have 78 stitches in each round. The main colour is white. At the front you crochet RO and the flag in blue (the flag with red and navy blue), and at the back you crochet two blue splashes of wave.

Rnd	Description	Sts
14 to 17	78 sc in white	78
18 to 27	Crochet in RO and the flag at the front, and the waves at the back (see page 6)	78
28 to 31	78 sc in white	78

IMPORTANT: TAPESTRY CROCHET

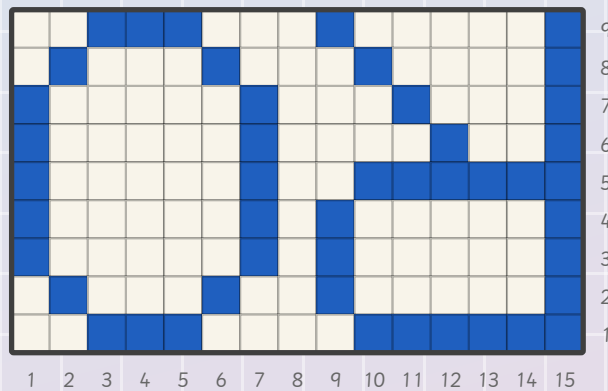

The motifs are crocheted right into the sides with tapestry crochet (crocheted-in stitches), not embroidered on afterwards.

- Lay the colour you are not using on top of the round and crochet the white stitches around it, so it stays hidden inside.
- Where a motif should be, you pick up the blue yarn and crochet with blue instead.
- Change colour on the **last movement** of the stitch before: pull the new colour through the last two loops. That keeps the change clean.
- Keep the yarn inside loose, so the hat does not pull tight.

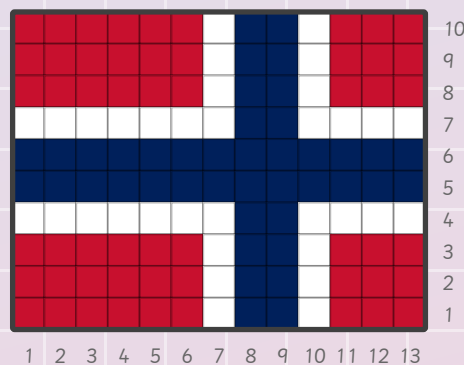

CHART: RO AND THE FLAG (FRONT)

Each square = 1 stitch x 1 round. Blue square: crochet with blue. White square: crochet with white (the main colour). At the front you crochet RO at the bottom, with the Norwegian flag a little above. **The charts are rotated 180° (upside down)**, because the hat is crocheted from the top down. Start crocheting from the **bottom row**. Then RO and the flag come out the right way up on the finished hat.

RO, ROTATED 180°

THE FLAG, ROTATED 180°

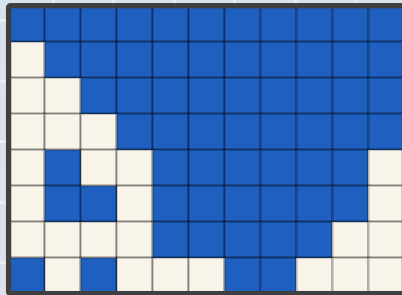

- **Across:** The centre front is right opposite the stitch marker (which is at centre back). RO is 15 stitches wide (R, 1 white stitch between, O). Count 7 to 8 stitches to each side of centre front.
- **Upward:** Crochet RO at the bottom, about round 18. The flag is crocheted about 2 rounds above RO, in the middle.
- Around RO and the flag you crochet white. The flag is in red, white and blue.

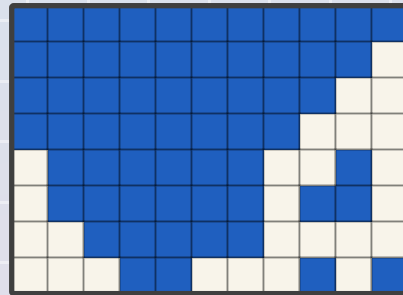

CHART: THE WAVES (BACK)

At the back of the hat you crochet two blue splashes of wave, one on each side of centre back. **The charts are rotated 180° (upside down)**, because the hat is crocheted from the top down. Start crocheting from the bottom row.

WAVE LEFT

WAVE RIGHT

WHERE ON THE HAT?

- **Across:** Centre back is at the stitch marker. Put one wave on each side of the marker, with a little white between.
- **Upward:** The waves start on the same round as RO at the front, about round 18.
- The little dots at the top of the chart are sea spray. Do not forget them, they are like splashes in the air!

PART 3: THE BRIM (BLUE, WITH INCREASES)

Now you switch to blue and crochet the whole brim in blue. The brim curves outward, so you increase evenly every other round.

Rnd	Description	Sts
32	78 sc in blue	78
33	inc x 12 evenly spaced	90
34	90 sc in blue	90
35	inc x 12 evenly spaced	102
36	102 sc in blue	102
37	inc x 12 evenly spaced	114
38	114 sc in blue	114

"Evenly spaced" means you divide the increases equally around. Round 33: increase about every 6th stitch. It does not have to be exact.

PART 4: WAVY EDGE

Right at the outer edge you make the wavy edge, still in blue.

Rnd	Description	Sts
39	inc x 18 evenly spaced	132
40	132 sc in blue	132
41	Finish with slip stitches (or crab stitch, optional)	132

Want extra clear waves? Finish like this around: 3 sc in the same stitch, 1 sc, skip 2 stitches, and repeat. Then the edge ripples nicely, like little splashes at the shoreline.

FINISHING AND CARE

HOW IT COMES ALONG

- **1. The top:** a flat, round white disc (approx. 16 cm).
- **2. The sides:** straight up in white, with RO and the flag at the front and the waves at the back.
- **3. The brim:** blue, and starts to curve outward.
- **4. Wavy edge:** at the outer edge in blue, like little splashes.

WASH AND CARE

- Hand wash or wool cycle at 30 degrees.
- Use a wash bag if you like.
- Dry flat. Shape the wavy brim while it is wet.
- Do not wring.

Congratulations! Now you have crocheted your very own RO hat.
